She...
The inseparable He.
She supported He and got suppressed
He stood apart and battered
But S...He as a shadow of He never get scattered.

Being labelled as Female,
Denied as feeble,
Debated as evil,
Cursed for the cause of Man's fall

Now..
She as a WoMan
Wondering for the Man
Who, would treat her as Human
But lost as Woe stricken Man

She who was being oppressed by He
Started struggling to free from He
Stated that She has a He in herself!!
Stepped further and proved SHE is stronger than He.
