

## WISH FOR LOVE, ONLY LOVE

Today once again when the cool breeze blows  
My inner urge starts to crave for love  
The love which is purely love  
Not lust.

Once again I think why not he read my face  
Why not he wants to understand my feelings  
Why he says I will not change, take me as I am,  
Only because he is, a male.

My feelings that want love  
and only love from him,  
Not a costly diamond,  
that is beyond his reach.

Don't take it as an allegation  
As he is a good human being.  
I have to satisfy with  
what he does for me

As he is a male, not a female,  
Who has the right to fulfill all wishes, to fulfill all wishes.
