No one is equal to thee!  
You have the best heart.  
No one fills up my heart!  
Because it's full of thy love.  
No one cared for me like you do!  
I am thy blood,  
Which never leaves its home.  
Never! It is present in thee.  
Oh, My blood, my soul, my heart!  
I never miss thee.  
To my God,  
I pray.  
To always fill me  
With thy presence.
