

ADORABLE SISTER

Dr. Rakesh Kumar
Lecturer in English
Department of School Education

When I came to earth, I prayed to Almighty give me a wonderful gift,
God's sage hand blessed me with a wonderful gift in the form of sister
Who loves me in extreme,
When I came to earth.
You are just like flower of orchid that blossom our home,
You are just like a shining star that shines my papa's name.
Oh my sister! I wanna tell you, you are there when I need you,
You are there when I am in trouble,
Without you I am just like a fish without water,
You are my guide, you are my God
And on your direction, I give life's nod,
You are family's pillar with no doubt,
You are my family's wonderful bubbles,
I wanna thank god for such a wonderful gift,
Who keeps me out of troubles.
