

COMELY PERSON

Dr. Rakesh Kumar
Lecturer in English
Department of School Education

Never seen a person so brilliant,
 Though not proudy!
 Never seen a person so mature,
 Though no sign of ego!
 Never seen a person so faithful,
 Yet no sign of dishonour for life,
 You are perfect Oh dear!
Sharing every joy and sorrow yet we move on.
 I must say you are perfect as you are,
 Wanna say always remain as you are,
 Feeling lucky to have you as my role model.
You are guide to me with all qualities bubble together,
 Pray to God don't you ever get into trouble.
 Thank you for support you have given,
 Thank you for love I have driven,
 You are my love, you are my life,
 You will always remain in my heart and life.
