

TDAS: THE THEORY OF THE DESTRUCTION OF ALL SYSTEMS

Introduction and Conclusion

Overdoctrine of Overpowering Supremacy! What is Over? Over – is [only!]Pure Volitional Components.

Until Nothingwill is *not* in “us”, “our” Utmost Hazard does Not take the risk of genuine – Fierce Hazard! – as of Entirely Diverse “Luxury of Over!”, but [only] continuously *slyly* uses Maximal Danger for the quickest *evacuation* of homo-bearing “mastered fear” *as* far as possible from Absolute Horror [...]

Exactly that’s why *even* Supreme “Boldness of Lightnings!” is Never enough. Dragons of horror devour *dragons of fear*, hence: any Courage is [only!] Disgrace in the presence of Demons. However and *nevertheless* – Abyss! – that “looks in You intently”, should be Frightened !!

My aim – in a moment to reveal Secret Code of an *each* “human” and Over-Re-Create *through* the cipher-Text of “a man” into an Overman, and then: even more [Correctly!] amend an Over-man *through* Over-Without-a-man, in order to farther – exactly Up-Upwards! – justonly single [Not!] “his“ Pure and Exultant Over to exist ↑

For this – the Highest, and therefore Horrific Aim, “we” should at once determine the Most Dangerous Riddles of so far Secret and Unknown Nothingwill. Determine Not on the “*purport*” but Concealed Over-*purport* Itself of a posteriori Over-being-of-Strength and a priori Up-Nonbeing-of-Power. Namely:

What is an-Nihil-ation? What [exactly!] is an-Nihil-ation of Nothing? What is an-Nihil-ation of Nothing Without *rules* of “creation and destruction”? What is an-Nihil-ation of Nothing in Over-eternity? What is out-Hollow!-ing of Emptiness Beyond, Over, Behind and Without “weight” of *metaphysical* laws of Eternity, Ending and Absence?

Nothing! ... Nothing Entirely Diverse! Where there is Not Nothing, there Nothing – Less “mortal”! Each Nobody is caught at “That”, that in Nothing there is “no nothing never nowhere”, but just You will die! From this perpetual *train* of “no, no, no, no...” Nobody and Nothing will disappear Nowhere... Nothing and Nobody will Never leave! But... *just* You will die!

So this is – Answer of Answers: I am “I” [only!] as *its* Absence. “I” am I [only!] as the Emptiness to Supremacy. From “me” is Nothing, but Nothing to Power! Therefore: Genuine Riddles of Horror initially Kill [all] possible and *impossible* “answers”! Veritable Riddles of Horror Demand Not cowardice of “unriddlings”, but [...] New Horrific Riddlings of Over as a Holy “Yes!” to Life *only* Forever-Up!

By Virtue of *this*: Overcoming of “nihilism” to the Greatest possible extent is a Forever feasible Over-Beyond-right of Over only in the Absent Pre-Centre [directly!] of For-ever-Concealed and [the Most] Nonexistent Nothing in which “Nothing to Power!” is the Secret and decisive “Point of Linkage” of the Most Unstoppable Will – Nihil-Will [!!!]

Nothing that has viewed Nothingness, an-Nihil!-ates *it* with Nothing. This means: if there is No One to kill – one can kill Nobody. If Nothing, actually, in No Never Nowhere, then each “No” as Willing Nobody to Power must Daringly Dare a Death, but [at That!] Be-in-Not-be Entire Anti-disappearance – Nihil-Will to Power [!!!]

Coarsely speaking – Nothing!-Will does Not nothing Nothing, but an-Nihil!-ates “nonexistent absence of void”, and also “nonbeing of power nowhere” Itself *through* Never Smashing Nothing *or* Nothing to Over that immediately Over-Wills and Above-Strengthens *itself* as the Nothing to Power and the Emptiness to Supremacy. There [unambiguously!] Not an Over-“man”, but only *itself* – Pure and Assaulting Over! – is the Necessary Fight Spirit to Horrific Heights of Above-Sky. Over *is* the Power-to-Life-Above !!

Wheels of Samsara are whirling being Round, Round, Round... Therefore if the “Will to Power” does Not harden Itself in the War with the Nothing, this Will can Not be the Will to Power. If “Will to Power” does Not strengthen Itself in Fight with Emptiness, this Will can Not be the Will to Might. The Initial Secret of genuine Will is concealed Not in the “form” of the Power, but in Nothing!-Will as Nothing to Power for *revealing* Never Inexplicable Over-Against! In Right and therefore – Extremely-Extreme-Will! – Over-Beyond-exists *only* Maximality of Absolute Breaks and Dissections [...]

Hence: Not “nihilism” overcomes “nothing”, but Nothing as Willing “Nothing to Over” Over!-overcomes “nihilism” *through* the Nothing to Power and the Emptiness to Supremacy. So – Incessantly Heightening the Secret of the *Fierce* Over! – Laid-back From “nothing” Nihil-Will an-Nihil!-ates, out-Hollow!-s “nihilism” a-s – worthlessly-*false* “will to nothing” [*homo-bearing* under-void shame!] by means of its Own Over-Above-Turn: Nothing-Up! Nothing-Upwards!

To Attack At Once [Without a “man”!] initial Nothing, Emptiness, Nonbeing, Absence and so on, each Over must have Not the “will”, but only... Nihil-Will-Against! – Will-Upwards-Will-Up, beforehand Beyond-cruelly Over-strengthened in the Most Impossible Nothing to Power, for which *even* Death is a “weak adversary”.

Apologia of Strengthening of Nihil-Will:

Go *through* Death →
 Go *through* Dying →
 Go *through* Death of Death →
 Go *through* a Nonexistence →
 Go *through* a Nonbeing →
 Go *through* the Absence →
 Go *through* Nothingness →
 Go *through* Noul →
 Go *through* Nuol →
 Go *through* Emptiness →
 Go *through* Pre-Emptiness →
 Go *through* Emptiness of Emptiness →
 Go *through* Entirely Nothingness →
 Go *through* the Absolute Nothing →
 Go *through* Final Absence →

I do Not think and I do Not exist, but exactly *this* “Nót” [against everything!], from Nothing and Nowhere, gives “me” the Will to become Nothing to Power, dare to be the Nihil-Will *for* the Total Supremacy Over *any* “dying”, *every* “dispersing” and *each* “disastrous nonbeing”. However, here it is important to Remember: everything That [only!] has been “comprehended”, but *not* Overtaken through Death, has [already!] lost a necessary Speed. Pure Lightening does Not think, but *alwaysonly*: Immediately Strikes!

“Will to Power” is Not so important as *much more* concealed “Will to Will!”, in order to Dare to Riddle Above and Manage Over *only* Up-For-every empty “eternity”. Only *through* Nihil-Will to Might – Against “will to power” [once being Cruelly stopped by Nothing!] the Before-Pre-Beyond-initial Nothing!-nietzschean “Ring of Rings” can Over!-continually [Less “endedly”!] Pre-return *its* Pure “Yes!” to Over from Eternal Morning to Eternal Midday [and!] from Eternal Midday to Eternal Morning ...

Only *always* Cruelly Destroying “oneself” in *genuine* Eternity of Coming-to-be, Pure Over gains Over!-necessary Nihil-Will to Power and can Fiercely-Imperiously-conform [“itself” Willbody and “nobody’s” Body-Will] to Proto-verity of Absolute Break of the Spirit. Exactly that’s why Nihil-Will Wills thus Over to Power, that Kills all *wills* and all *powers* of aflat-Ruling Over!

“Doctrine of Nihil!-Will” – Doctrine of Entirely Diverse “Yes!” to Life *for* Eternally Willing Nothing to Power [and] Creating Emptiness to Supremacy. There [Where!] cease to work initial Before-Power Laws of Will to Life, Will to Power and Will to Might, then – through Pure Over! – *persistently* continues to Grow and Rise Over *only one*: Nihil-Will-Against! Over is the Secret of [Not!] “abrasion” of Life !!

The Initial Law of Noul-Nuol:

Only $0 + 0 = \text{Nothing to Power!}$

Only 0 – 0 = Emptiness to Supremacy!
1, 2, 3... only give birth to *rifle*.

I Pre-knowingly have Cut off my Will From “everything” [and] “everybody” *as* meaning Noting, but [strongly!] coercive “homo-bearing identifications”, to Dare Daringly to speak only *through* Total Nihil-Will with one Absolute Nothing – Nothing-to-Power-Over-Up!

For “me” Nihil-Will – is always “Something”, That is Never my “single” *or* “zero”, but Pre-initially-Over-strengthens itself by “my” Absolute [Pure Over!] in the most Over-Impossible – Extra-Beyond-zero Point of Total Resistance *through* obligatory Might of Growth of Power from Over to Overover *for* Up-Up-Up [...] Only Over!-Willing processes of a-l-l Wills and Powers At Once determine the Triumph of Life, *where* Over-Immediately [and!] Suddenly-Against appear more Up-Over-Suddenly, namely: Over-surpassing any “immediately” and instantaneous “right now”. Only This – Pure “Immediately-Over!” – is exactly: the Concealed Knot of Lightnings! Total Over-Up-Über-Mightily [!!!]

From this and entirely Inversely: *where* Will to Nothing is the End of the Will, there Nothing to Will *is* a New Beginning of Power. Where Over-human Will to Life suddenly [tragically!] breaks *its* Uneasy Path, there Over-Without-human Nihil-Will continues to move Farther... Farther than “farther”... Always Without a chance of stopping of Its Sacred Over! Only in Body-Will *as* a Willbody [and!] in a Willbody *as* Body-Will there is [No!] more any “betrayal” of the Absolute Body-Over.

By Laws of Against-Creating-Nothing: *any* “fighting unit” obeys [Masterfully-Willing-Over “it”!] Nought-Naught. But also every Nought in Nihil-Will will be an-Nihil!-ated *through* Noul-Up. But also every Naught in Nihil-Power will be out-Hollow!-ed *through* Nuol-Upwards. Only a real Absolute [Zero-Break!] of the Spirit *as* “Gravity” – this is the aim of Nihil-Will to Power as the *Purest* Ferocity of Over to Overover!

In other *Syllbales*: Nihil!-Will *is* o-n-l-y “Up to Overover!” – the Triumph of a Before-Pre-After-zero “Yes!” to Life against any “too, too much” empty-void “No” *strongly* chained by laws of Dying and Nothingness. Nihil!-Will – is out-Hollow!-ing of “Emptiness” and an-Nihil!-ation of “Nothing” for the sake of the *Pure Revelation* of the Over-Being-of-Might, *where* the Risk of Life Deathates much more dangerously than *even* the Most Laughing Death. Hence: Nihil-Will to Over is always Über!-Greater than any *fateful* “Iron of the Will of Being” and “Steel Character of Nonbeing”.

Never-Nowhere-Not becoming weaker, Nihil!-Willing Might of Absolute No is the direct Over-Über-zero Opposite of each “transcendental creation” and *any* “noumenal destruction”. Beyond God and Devil *only* Nihil-Will *as* Nothing to Power is a holy “Yes!” to Life and a Sacred “No!” to a New Being of Over. It is necessary to love Not the “Height”, but *only* The-Most-Most-Über!-High *where* [Forever!] even Higher Trans!-fixes Even Higher [!!!] That is: [Not!] “one” Atop “another”, but only: Atop [A-Top!] an “atop”...

Only *inside* Nihil-Will – Pure Over! – perceives Itself as Nothing to Power where the Over-Inexplicable *for the sake of* the Most Incredible animates the Most Impossible! Because whatever Great the Spirit of Total Negation is, only a Pre-Über-Extra-implacably Attacking “No to Yes!” *as* Willing Nothing [Nihil-Will-to-Life-Over!] has the Key Right to Macht-noumenal Existence Forever!

Über-Power precedes the “right”, but Über-Might precedes *any* Power. Therefore Over-Beyond-initial Nothing – is Always only Nihil-Will-Against o-r – Over!-Will – *where* each fighting Nothing *as* [exactly!] Nothing to Power is the most Horrible-Against-Over and simultaneously a perfect *crystallization* of this – Pure Ferocious Over! – *up to* the level of the Purest Overover and *then*-Upwards-for-only: exactly-exactly-Up!

Only Nothing, Over and Beyond giving all Power-Over to Might, is Nothing *as* such that [Not!] “gives away”. That is to say – this Nothing is Entirely Diverse Nothing – Nothing to Power! Nihil-Will-to-Power-For-No-One! More precisely: *for* Nobody-Up-of-the-Most-Most, but [Not!] *for* down-down-down of “all the same”. Over-hence: Will to Over is *only* the Turnover of Nihil-Will of Up and Nothing, but Nothing to Power-Upwards! [Upwardsthroughup!]

Or more precisely: Nihil-Will is a Fearful Synthesis of *all* lost Wills, Powers, and Lives Immediately, Beyond-Over-represented in Ultimate Absence *as* a Smashing Blow-Over-Up; however [herewith!] struck Hard Upright Down towards “disastrous dying” and “homo-bearingly-never-ceasing-pseudo-under-Non-being” *as* an illusion of “Super” per se.

Before-hence: Nihil-Will to Over – Pre-Beyond-Will-to-Power which, [even!] being in “Absolute Absence”, Dares to Dare Itself *through* each “its” and “other’s” Death – Dares to confirm Itself through an-Nihil!-ation of any *kind* of “dying” *for* Nihil-Emptiness to Power-Supremacy to Rigorous! I – Might of Will! – *only* by Authority of Law of Over, *because* Up-Over [I] Already “down” and “under” do Not “exist”!

In fact Nietzsche’s “Too-Trick-y-Composite Over m a n” is *only* beforehand – invisibly set! – *Zarathustra’s* “Over-Snare” or, *if* you wish, – a “Cruel Void Trap” of his Ferocious Will to Power *for* any Ultimate “Super-Verity” *as* under-Nonbeing “of the same” [or!] Being of the Most, but “all the same” too much-*illmuch* homo-bearing “Super”.

Over Without “man” that Fiercely-Riddles Itself *as* Entirely Diverse Over does Not unriddle a “man” *or* the “God” anymore, but Riddles Its Own [Over-Upwards!] Against-farther-Beyond Absolute Predominance and the Most Impossible Supremacy: “Over to Overover”! *Justonly* when all Powers of Over *suddenly* Unite in Nihil-Will, there has been No longer any Death *for* “Yes!” to Life, because [in “Yes!”] has *already* Not been be the Great “No!” to Life *as* Eternally-Cutting-Luxury-of-the-Risk-of-Over.

It’s [Always!] necessary to remember: Nihil-Will *as* “Irremovable Body” of Ineradicable Power reveals Itself only Over-then, *when* God(s) and Devil(s) do Not have Powers anymore to *preserve* and demolish the Life [simultaneously!] – and as the Great Sum of “all lives” At Once,

and as the *Luxurious Exultant* [Overflow!] of the Viapower of Over. The Life [or: Sum-of-All-Overs!] turning into Nothing, strongly and *vertexly* Absent!-Rules, but Not “is absent” in the Power and Presence. This means: the Life of Over [in the Light of Death!] *only* collects A-I-I Its Powers *for* the Next Creating Blow! *Creating Über-Series* of St-reich-e!!

“Will to Power” *itself* is [Not!] as important as Will... to Over! Only the most Fierce Strengthening of Over *inside* Nihil-Will guarantees the Takeover and Break of a disastrous “under-under-Non-being” and the Attacking Rising of Might from Nothing [*through* Over-Light-Fights!] to the Entirely Diverse Nothing *for* realization of the Fundamental Conversion: from Over to Overover Behind, Beyond and Above a-I-I “The Most-Most”, but traitorously “the same”. The inference: Nihil-Will is the Absolute Will [or: Eternal-Will-of-Over!], which in Its Over much more Powerfully Wills *than* “Absolute Will” [!!!]

That is: instead of Entirely Diverse Speeds of Over and *their* Horrific Sublimation-Up-wards a “man without” Over sees *only* “mesmeric passes” of Inexplicable Immobility of Nothingness. Nothing-Over-Living happens here, but *the same* ridiculous struggle of “Spiritually-Weighty-illusions” *among* Irredeemably-Prior-Super, that Never-existing, [however!] continue to *permanently* “Under-being-ate” and *every second* pass *themselves* off as “I” and “I think”.

In Death [*through* Creation by Death!] one should be Not the “noting for nothingness”, but Nothing Diverse *as* the Willing Nothing to Power ordering *through* the Emptiness to Supremacy! For each Nihil-Will it is necessary [right now!] *inside* Nowhere to *revolt* by Nobody’s-Nothing-to-Supremacy against Never *as* Nobody Ultimate in under-Nothingness-Forever, namely in “*too-too much*” Irreversible and Never-ceasing Dying of *each* Entirely Diverse Luxury. We will leave *only*: Over-Above-Death-Upwards!

From This [*inside* Death!] one should always remember: “One Cannot break the cage *inside* a flying accipiter!”. What does it mean? Until freedom of Over does Not dare to Extirpate all *types, kinds and forms* of “freedoms” and “submissions”, this freedom [Cannot!] be called an Absolute one. “We” are needed Not a new “myth” of the free Super, but only the *Pure Revelation* of Absolute Over, *where* [even!] Death Over-returns to Death in order to Create by Death and Make by Decease a New “Yes!” to Life-Against [!!!]

The Freedom of Over is *only* Nihil-Will *for* again-Riddling Up. Only the Ultimate Risk-Over Dares to dissect the Maximal Danger *for* Joy in detection of Absolute Horror! In other *Syllbales*: only Absolute Horror *is* a sought-for and Secret “void crystallization” of Nihil-Will *as* Over-eternally Willing Nothing to Power and “end” Less-ly Creating Emptiness to Supremacy. The Macht-noumenal Inference: *for* an an-Nihil!-ation of the Original [*Maya*] “we” are needed Not “instances”, but Lances!

Exactly from Nothing *as* “Nothing to Power” Dragons of Horror devour *dragons of fear*. Paraphrasing *Heidegger*: “That of What fear of Will to Might is frightened is only This by What Horror of Nothing to Power is [already!] Never horrified”. Ultimate Freedom of the Risk in Maximal Danger of the Spirit should be [immediately!] an Absolute Break *or* Not be

Completely! Therefore *even* “Supreme Heroism of Over” *for* Nihil-Will is *only*: “the Battle for No Particular Reason!”

“We” are needed Entirely-Diverse-Might-of-Might *where* Noul-of-Will and Nuol-of-Power unite in the most cruel way in Machtnoumenal-Scramble-of-Over-Up *for* that in order to *through* Absolute Pain create New, New and New *kinds* of Never-ceasing Resistance, namely – Over Without “man” *as* [Already-here!] Bodywill-of-Nothing-to-Power and Willbody-of-Emptiness-to-Supremacy. If You are [still!] alive, then You have [already!] betrayed Something and therefore: You must Overtake Death Before *any* “dying” and more precisely: Immediately Before-Fore and After “your” birth – [only!] in the Horrific *segment* of Instant Lightening!

Just because “we” should find New Sources of Perpetual Power [a Holy “Yes!” to Life Forever] Not in voidly-empty-death, but inside *its own* Nihil-Will to Over Without “man” *as* “of the selfsame” and The Most, but “the same”. Nihil-Will to Power is *needed* Not “over-followers” of Nothing, but *only* Pure Over Without “nothing” and “emptiness” [Itself!], but *for* Nothing to Power and the Emptiness to Supremacy [Entirely-Without!] any kind of “over”! Beyond any kind of “super”! Without any kind of a “man”!

Beyond this – “Over Without!” – any “meta-advantage” of Power and Supremacy does Not have any right to call itself “Supreme Value of Over!”. Without this – “Ascending Over!” – any “Will to Power” can [Not!] have *even* a Dignity of the “*illusion*”. Even Dead God i-s first of all – Will to Power! – *therefore* Pure Over renews “God *as* God” by reason of *only* Its Over-Vital Overflow and Ultimate Triumph of the Risk *through* more than Inexhaustible Overoverover ...

From here [and!] ... Up! Upwards! *Justonly* when Absolute Nothing *through* Nihil-Will to Over Wills and Creates Nothing-to-Power-Forever – Pure Over Without “man” Fore-Over-aggresses and Reigns Perpetually! Over – is Not an “exception” *to* the rules, that has been accepted in a *new* Rule, but the Exception of *all* “rules”. According to *Concealed Hegel*: the Absolute Break of the Spirit [in Unthinking!] is *just* “Nothingthought-to-Over” and Nothing more, but the most *Luminous* Sudden-Flash-of-Lightening *from* this Nothing-Nothingness *for* Nihil-Will to Power-Nowhere [...]

In the Cipher of the Absolute Break of the Spirit: Purity of *each* Willing-Will-to-Power *as* an unstoppable Over!-Fore-Speed-of-Nihilwill-to-Power is a Fiercely!-Vertical-Above!-Over-Rising for *justonly* the Luxury of Absolute Risk, but [Not!] *for* coercive “Samsara of Horizontal Inhibition” *through* [even!] more mean and Weighty *illusion* of “human salvation”.

Hence: Over-Death is *only* a necessary Fore-Pre-Turnover of Body-Will into Willbody *for* a “flash-like recurrence” of Willbody into Bodywill-Fore-Anew and Over!-After “the end of the world”. Only the *Connection* of Body-Will in Willbody and Inevitably-inversely: Willbody in Body-Will is an “Irremovable Body” of Nihil-Will-Against, which [only!] *Creates* Ineradicable Power *for* Vialuxury of Over-Over-Over [!!!!]

By Virtue of *this*: “Pure Over” will Over-reveal Itself [Not!] *from* the new “aristocracy”, *improved* “mob” or “secret form” of an Overman, but [only!] *from* the Sacral Sum of all Risks

and Overflows of the Life of Over. Neither “Nondoing of Nothing”, *even* being Utterly-reinforced *through* Unthinking of Nothing to Power, is Not capable of restraining Nihil-Will, strictly Correlating Itself only with plane, *pure* and perfect Coming-to-be of Over to Overover and then-exactly-Up-Up-Up ...!

In anticipation of Thunder, I *am* a Lightning-Instantly!

These Over-Theses – For No One!
 I do Not need Any people.
 I am itself – and God, and Soil, and Race.
