Oh God, I am going to die
Allow me to thank my parents
Who blessed me with this life.
Oh God, I am going to die
Let the people forgive me
Who suffered a lot by my sins.
Oh God, I am going to die
Offer power to my words,
That carries my thanks to the well wishers.
Oh God, I am going to die.
Fill my curse with more strength
Against who forbid my humanity.
Oh God, I am going to die.
Bless me with thy nobleness
To washout my previous sins and the present
for the future. But
forgive me to ask this.
Bless me not (this commitment again.)
or be in this unreal world again.
