Tamil Nadu

Yellow bright light, in it glows the visage  
The scene witnessed - a change  
And then shutter of my eyes closed down,  
Temporal relief from ecstacy and pain  
The twin forms of life,  
A new life, a beginning of second life  
Duty Discharged is Mother  
The beautiful creation of God.  
Happiness Unbound  
When fingers fluttered, eyes twinkled, legs kicked  
By the Brand New form of Love-My child ,,,  
The journey goes on and on....
