

A BROKEN HEART'S FEELINGS
(INCOMPLETE DESIRES)

Mrs. Gayatri Singh
Ahinsa Vihar,
Bhopal (M.P.)

Person get destroy to pursue of love
Always wandering whole life to seek of love
but they don't get those love those calm ,
those affection for that desire,
leave the home renounces their responsibilities.

Somebody who can fill the empty heart
with their passionate and stormy love
they never get that type of companion
that type of lover with full of passion.

People come and get shelter in the heart
to concept as an Inn and brags for their fake love
coax for the sake of their physical pleasure
and spends sometime after it goes on their own way.

But everyone gives a scratch on the wall of this heart
and with every scratch with every wound the heart bleeds
and being converting into a dilapidated home.

Where might be bloom the flowers of love
and affection there sees the desert in all around
Where might be reverberates the songs of love
there now echoes an elegy full of sadness,

Somebody likes the fragrance of a flower
somebody it's colour and somebody it's nice design
But in every desire in every want,
the result is- Eventually it's death ,it's crush.
