

ISLAND OF LOVE AND PEACE

Dr. Sugandha Agarwal
Assistant Professor of English

O my dear Indians!

Let not extinguish flame of patriotism from your heart
I plea earnestly, do not ever forget Indianness
Dive in the ocean of Affection and humanity
And come out as purged personality with ‘Halo Effect’

O my dear Indians!

Don’t smell the smog of corruption and hedonism
Endeavour to focus on charity and compassion
Travel on the vessel of Humanity and purity
And revert the revolting-roaring waves of Atrocity

O my Indians!

Awake, Excel, and accomplish Excellence
Shed all negativity by filling aura with divine gleam
Instill spark of knowledge and wisdom with morals
And convert this planet into Island of Love and Peace
