It was a memorable evening
And I was very tensed
But my tension had no probable meaning
As it was already planned

I sat alone in the room
Waiting for the to be bridegroom
The door opened with a boom
And there stood my man with a bloom

With love, he offered me a cup of coffee
As his lady love, I proffered him a milk toffee
I drank the coffee with hands trembling
He spoke to me from his heart rumbling

To me, the world seemed wonderful
As the rest of my life is going to be colourful
