A tramp ends in a beauty unlawfully  
Soon lose its next of kin and identity  
Grow up unholy in the holy of holies  
Prefer always foodstuff to luxuries  
But acquire lack till the final  
Precious metal, to be given to the idol  
But why inhumane on sensitive ?  
Aim more at panacea of intestine  
Than treasure house others have  
Only way while infirmity, to be die down  
Feel humiliated for each currency  
Never comes across slumber peaceful  
Stray half bare and dirty  
Passing a day is attainable  
Because of excruciating waste away  
Relinquish virgin but get a beautiful baby
