

LIGHTNING AND FRENZY

Andrei Azsacra [Zarathustra]
Indo-European Philosopher
Ural, Russia

I [again] teach you the Overman:
He is that Lightning!
He is that Frenzy!
Friedrich Nietzsche

Der tolle Übermensch/the Mad Overman. Überraserei! What does it mean? The *Most Supreme Wisdom* wants — to *toll werden/Go Postal!* But *This* is **Not Yet** the following of the **Overman** after horned-headed *god Dionysus*, but rather vice versa — now *Dionysos* himself [*as Töle!*] follows hard after the *Overwitoutman* — **His Even Greater Frenzy**: the *Sacral Focus* of *göttlich/Veritably Divine Maniasophy!* Therefore to *Kämpfen/Struggle* against **Nothing** [*as Absent God!*] exactly with the help of **Nothing to Power** and **Emptiness to Supremacy** — is the **Most Impossible Aim**. But: *Kampf* — always “*kämpfen*” for **Über!** **Nothing** can **Not Yet** stop the **Unstoppable Over!** According to **Nihil-Nietzsche**: an-Nihil!-ation, out-Hollow!-ing and **das Selbst/Itself** of the **Over Without** a “*man*” — *Exquisite Forms* of the **Most Aggressive Unthinking Over** and **Beyond**. *Namely*: It is necessary to **Kill Before** “*thinking*” and **Take** “*shape*” for [*just!*] **Annihilation of Impossible**. Therefore **Überzarathustra** says: There is **No Any** “*nothing*”, **No Any** “*something*”, permanently **Luxuries** only the **Over as Nothing to Power**. *Wozu?* In order to **Seize Even More Monstrous Valuable** of **Emptiness to Supremacy**.

Necessary more precise definition: to **Reason richtig/Rightly** — means to *Rightly Overtake der Tod/Death*; and to **Overtake Death Rightly** — means to **Die Without** “*dying*”, **Deathate by Death** inside the **Most Horrifying Decease!** To *Denken/Reason* by **Lightnings [Blitz-Gedanke-Blitz!]** — means **Not** so much to **Trace Secret Signs of Different**, as to **Burn out all** “*the most human*” with **Solid Fire** of the **Spirit to Break! Blitz-Blitz-Blitz-Geist! Sakral-Aggression-Über!** **Because**: although the *Overman*, as the *Supreme Manifestation* of the **Blond Beast**, inherits **Blue Blood**, *He* is nevertheless — **Completely Different Might of Will** and the **Speed of the Break of the Spirit**. In contrast to *römisch/Roman brutum bestiale*, the **Overman** brings “*sacral luminescence*” of **Blue Blood** up to its **Supreme Apotheosis** — *Lambency of Lambencies!* Therefore, inherently, the *Overman* as **Already the Over Without** a “*man*” **est** the *Light Tsar* of **New Blond Beasts**. He knows: it is **Needed Not** only tread **Where** “*there was No Any traces yet*”, but **Forestall** “*forestalling of every*” “*treading*” exactly as of *God*. *Id est*: **Über-Gott-Über!** The **Over Without** a “*man*” should become — **Over-God-Over!** To Assume the **Most Supreme Power Over!** **Not** to “*become possible*”, but become — **Even More Impossible!** **Impossible Not** so much “*for everybody*” as “*For No One*”. **Gotttod [ttt!]** *Wise Books of Will to Power* should **Create, Publish Themselves** and then — **Cruelly an-Nihil!-ate**, out-Hollow! through the *Horrifying Dance* of **Overdragons** of the **Spirit to Break**, once predicted by *Zarathustra*. Well, **Nothing** changed after *Nietzsche’s Death*: **wie früher/as** before it is impossible to **Bring** the “*world*” to an **End mit einem Schlage/at One Blow!** But [**Thus!**]

speaks **Zarathustra** again: *“Dunkel ist die Nacht, dunkel sind die Wege Zarathustra's” — Night is Dark, Zarathustra of Light's ways are dark.*

Was ist gut/What is good? Something — That Kills every “good”! Was ist übel/What is bad? Something — That Annihilates every “bad”! But at the same time Reinforces und Strengthens Great Evil; Pure Evil; Evil that Always Exceeds the bounds Of any “evil”! Nihil-Nietzsche's Order is immutable: Schaffen aus deinen sieben Teufeln/to Create from your “seven demons” the Most Perfect Weapon of Overhuman Sanctity! Id est: the Overman should Not forget in Himself such an ancient property as brutum bestiale/the Blond Beast, whose Blue Blood always craves for Break and Decease, and therefore — On the inside: Furiously Radiates! From the Outside: Reveals Complete Light Aggression! The Purest Über orders This Way: Wille zur Macht/Will [to Power!] should Advance Against “everybody”! Id est: the Pure Aggression of Radiance should Aggressssss with Light! He — Death! — Who Dares Sow Light! Who Dares like Light Shine with Death! Exactly therefore Verneinung/Negation ist Neinsager/Negationist of all negations, who has converted into Complete Lambency of Lambencies! Conclusion: Aggression Not so much hardens the Overman, as [Already!] reveals Him as Power to Hardening by New Supremacy and Entirely Different Predominance! Über-Härte! In principle, reasoning from the formula “Werdet hart!”, in this world Will to Power resolves itself into only one solution: Blue Blood Over! Only the Over Without a “man” is Supreme Abundance of Might of Indestructible Supremacy! The Secret Plenty of Sacral Power for Absolute Predominance Over as Inexhaustible Power for Prevalence Beyond! In other Beyond-Over-words: the Über — for Überlegenheit, and this means: Unterwerfung/Submission to the Strong ones is inevitable.

We will ask the question once again: *“Frei wozu”?* Free for what? **Genuine Freedom** of the **Overman** — of the **Over Without man!** Therefore **Neither** the **Overman** [at the **Great Midday**] **Nor** the **Overnoumen** [at the **Great Night!**] should *conserve* themselves. This — the **Main Order** of **Will to Power** — to *Create* by **Decease** and *Construct* by **Death!** *Why?* The Answer of the most **Complicated Complication: Will to Might**, turning into **Nothing to Power** and **Emptiness to Supremacy**, demands **Not** buddhistic “absence”, **Not** Taoi(S)tic “non-doing” or “non-thinking”, but [only!] Nietzschean **Absencepower** [Go[ttt]od!], under **Which** all kinds of *Deadly Wills* unite in the **Indestructible Knot of Lightnings: [ttt]odliche-Konzentration-Über!** Or: **Hammer-Blitz des Todes!** The **Sacral Overman** is — **Not** the unity and **Not** a quantity, *He* is — **Everything At Once!** This **Apical Condition** of the **Over Without a “man”** is the **Supreme Luxury** of Aggression of Light — **Indestructible Svasti-Arra! Über-Arra!** The **Overman** knows: only when in **Absolute Emptiness** the **Emptiness to Supremacy** is present — the **Great No is Courage!** Because: *Jenseits von Gut und Böse ist dein Reich/Beyond “good” and “evil” is Your Realm. Fearless Modus: Only Beyond “all-beyonds” Beyondness est Absolute Power! This means: “Auf! Auf! Nicht röcheln!”*

The **Most Horrifying question Over:** *who* is **Lacerated** by mythical “blond beast”, “die blonde Bestie”? — All the *lowest* and *weakest*. Id est — the **whole world!** Contrary to *Heidegger* — the initial “Welt weltet” will be **No Longer**. Originally: *Blaues Blut/Blue Blood* always remained *faithful* to the **Most Ancient Fore-Wisdom** — *Maniasophy* of **Perfect Instincts-Murderers**. In other **Beyond-words:** **Über-Nichtsein** — **Über-Über-Übersein!** **Das echte Leben!** According to **Nihil-Nietzsche:** the **Overman** [*first of all!*] dominates *exactly*

Todesblitzgeschwindigkeit/the Elusive Speed of Death; and therefore *his Will to Might* is equal to **Not** duration of “*dying*”, but the **Most Breakneck Speed of Supremacy** on the *path: from Death — through Death of Death — into Over-Death! It is necessary to possess **Will** to become “**Become!**” *itself*, but **Not** a present “*something*”, **Not** the presumptive and immutable “*I*” for “*the-same-dy-I-ng*”. Modus: **Eternity of Nothing** reveals *Itself* as **Speed** and **Might** *only* through **Nothing as Nothing to Power**. **Interminability of Emptiness** reveals *Itself* as **Might** and **Speed** *only* through **Emptiness as Emptiness to Supremacy**. This means: *Blue Blood*, uniting with **Eternal Flaming Bloodstream**, should learn *Transitions* to **New — Entirely Different Might Through, Over, Beyond, Behind u-n-d Über!** The **Übermensch/Über-Over-Beyond-man** is only *Durchbruch durch das Nichts — Breakthrough of Nothing to Power through Great Nothing for Eternal Recurrence* of **SUPREMACY OF THE ABSOLUTE OVER!** **Alles/All**, that I am writing about, *I aussprechen/Say Not* for the *Overman*, **Not** for the *Overwithoutman*, **Not** for the *Overnoumen*, but [**just!**] for the **Over Itself!** For the **Over** and **For No One** else! **Go[ttt]od: Tod todt! Go[ttt]od is Ring der Ringe!** *More precise: Only the End of Nothing is/ist/est the Beginning of Nothing to Power!**

Der grosse Todesmittag: Transitions to New Might are possible only at the *Most Secret Time — the Hour of the Great Midday!* The **Hour**, when *Zarathustra’s Lions* begin to **Laugh by Death**. The **Hour**, when *Each Spirit* achieves *Its Absolute Break*. **Then:** even the *Bravest* run away! **Ja!** The **Over Without** a “*man*” speaks only in a *Language* of **Eternal Recurrence of Lightnings!** *What does it mean?* All **Unriddles of Death** should again *Riddle Themselves* through **Horrific Decease Over!..** Therefore eight [8] *Sacral Transitions* of **Might** into **ABSOLUTE MIGHT OF MIGHT [Go[ttt]od!]** will be the following:

0. *Dionysus* — is **Strong/Buddha** — **Nihil-Nietzsche** [Nought-Naught]
1. *Death of God* — **Death of Devil**— **Death of Death**
2. *Three metamorphoses of the Spirit* — the **Overdragon** — **Break of the Spirit**
3. The *Overman* — the *Overwithoutman* — the **Overnoumen**
4. *Will to Might* — the **Nothing to Power** — the **Emptiness to Supremacy**
5. *Eternal Recurrence* — the **Turn of Will into Over** — the **Knot of Lightnings**
6. *The Great Midday* — the **Great Midnight** — **Laugh by Death**
7. *Revaluation of all values* — the **Order-Might** — **NihillihiN**
8. *Beyond good and evil* — the **Great Over-Beyond** — the **Over Over**
0. **Decease** of the *Overman* — **Death** of the *Overnoumen* — the **End of Nothing**

[Gotttod: der grosse Mittag ist der grosse Todesmi[ttt]ag: aus dem Tod — (über!)durch den Tod des Todes — in Über-Tod!..]

0. *Dionysus* — is **Strong/Buddha** — **Nihil-Nietzsche** [Noul-Nuol]

Διόνυσος/Dionysus betrayed **Nietzsche** in his **Sacred Frenzy** and therefore as the same *der Geist der Schwere*/Spirit of Gravity — deserved *only Pretensions!* Through *Frantic der Tod* we again will make him *merrily* and *friskily run*, **Not** yet *jenseits/“beyond”*, but in *Jenseits/the Most Beyond...* Based upon **Nihil-Nietzsche** [**Nietzschebuddha!**]: the *Terrible* is *Strong* [Σιληνός] — wiser and braver than *God Dionysus*. This means: for the *Overman* only *Four Formula* of **Nothing to Power** are relevant: [1] **Nicht geboren zu sein/Not to be born!** [2] **Nicht zu**

sein/Not to be at all! [3] **Nichts zu sein/Not to be Nothing** — to Be **Nothing!** — to *Reveal Nothing!* [4] Therefore: **bald zu Sterben** — to **Die Without** “*dying*” as *Soon as Possible* — to **Overtake Death!** This is the **Great Triumph Noul-Nuol** — the *Sacred Battle of All Wills* — **All Total Absences for NOTHING TO POWER and EMPTINESS TO SUPREMACY: Blitz-Tod-Blitz!** According to **Nihil-Nietzsche: die Stunde Null/Revelation of the Great Noul-Nuol** [*die grosse Übernull*] **Signifies Not** an absence of “*willnumbers*”, but inversely — discovers [*Exalts!*] countless numbers of **Fighting Units sacrificelydestined** for adding of the *Sacral Sum of Sums of Will to Power*, Which, in its turn, is **die Zahl des Tiers/Light Beast’s Number!** In other syll(*Bale!*): Absence-imperious “**There Is!**” [“**Over-Yes!**”] **Itself Annihilates est, Devouring is and ist.** Die Geburt der Tragoedie der Nichtsnietzsche/a Birth of **Nihil-Nietzsche’s Tragedy** aus dem Geiste der **Über-Tod**/from the *Spirit of Over-Death* reveals *Itself* as **Blazing** through *everything* in its path **Will to Might**, Which suddenly recognizes *Itself* again as *Bodywill und Willbody* of the **Great Midday**, but **Not Di-wo-nu-so-jo** of miserable Greek mysteries. **So:** the *Schlacht/Battle of Over-Death* [**der Über-Tod!**] has begun... **Der totale Krieg-Über!**

1. Death of God — Death of Devil — Death of Death

According to **Nihil-Nietzsche: Will to Might**, being *Empty Essence of Nothing to Power*, begins its *Ascent* from “**Death of God**” [**Gott ist todt!**]. And vice-versa: the *Invasion of Emptiness to Supremacy*, as *Supreme Predominance of the Spirit to Break*, reveals its *Beginning* from “**Death of Devil**” [**Teufel ist todt!**], or: **le Grand Pan est mort!** But **What** does: *Diabolos mortuus est* — “**Devil is dead**” mean? Only one: beyond *Pure Evil No Will to Power* that thinks *Itself* just as: “**I est Luxury of the Order!**” can be. In other *Syllbales*: beyond *Diabolos* — there is **Neither ego Nor cogito, Nor ergo sum!** There is **No More Evil**, because only Empty, Void “**No!**” is **Even Greater Evil!** When I say: “*Emptiness is Innocence of Evil*” — I mean **Not** Emptiness of the *Antichrist* [“**Der Antichrist**”], but eternal *antichristness* of Great Emptiness; and first of all as **Emptiness to Supremacy**. From the point of “*view*” of the **Gaze of Absence:** the **Über/Over** separates **Nothing to Power** and **Emptiness to Supremacy** like the *Left Hand* and the *Right Hand* of **Go[tt]od!** Therefore: the *Left Hand* [**the Nothing to Power!**] will always *überwiegen/Prevail* in the *Art of Aggression by Light*. Accordingly: **Death** is the **Over** only *Where* the **Over** is the *Light* that *Aggresses* by **Decease** and *Deathates* by **Death!** Human **Übel**/“*the lowest evil*” — is **Not übermenschlich/Overhuman Rise of Light Evil.** Therefore the **Overman** needs only *Böse/Pure Evil* — *die grosse Reinheit!* **Id est: Böse ist Uncomplicated, Evil Without** “*impurity*”, and this is **Already der grosse Gegensatz/a Great Contrast** to any [*each!*] “*human, too human*” **Übel** with its inevitable *devil*-curse of “*pitifullydying*”. In accordance with **Will to Power** [*Initially!*] the **Überohnemensch/Overwithoutman** always **Cruelly Exterminates** the *Over(sine)man!* **Therefore:** the *Sacral Secret of Life* [of **Viapower!**] holds *Itself* at the *Height of Death of Lightnings* only/**just** with the help of the *Entirely Different Sum of Powers* = *Nonbeing + Nonexistence + Absence + Emptiness + Nothing* = **Nothing to Power! Emptiness to Supremacy!** Only **Über-Böse/Over-Evil**, which stood up **Beyond-Over-Atop** “*all-beyonds-of evil*”, is — **Pure Evil!** But **Will to Power** needs — the **PUREST: Purity in Purity of Purity!** *Death in Death of Death!* **In rebus tacticis:** “*Evil in Evil of Evil*” should **Not** just be **Justified** as the *Most Active Power* of **der Wille zur Macht**, but — **Must!** — begin to **Anew Create Itself** through **der Über-Tod!** *Fighting Modus: God is Not “dead”* — **Gott Tod ist/GOD** —

DEATH IS! — DEATH OF DEATH! — OVER-DEATH! Go[tttt]od: Tod-des-Todes-des-Todes-Tod! Der Tod-Over-Fore-From-Under-Above-Atop!

2. *Three metamorphoses of the Spirit — the Overdragon — the Break of the Spirit*

Drei Verwandlungen nannte ich euch des Geistes/I told you about Three Metamorphoses of the Spirit, but **This is Not “all”**: at the **Great Midday** [at the **Great Midnight!**], when *Sacral Zarathustra’s Lions* come in order to *Todeslachen/Laugh by Death*, happens the **Fourth Metamorphosis of the Spirit** [Über-Formel-Metamorphose!], namely: *die Geburt*/the Birth of the *Overdragon of Will to Power!* *Sacral der Über-Drache* — here it is *Zarathustra’s Secret Key* towards the **Absolute Break of the Spirit**, because even *grössere Drachen/Bigger Dragons* should come! *Id est*: the *Unriddle* as **Even Greater Riddle is Needed**: From the *Outside* — the *Overman*, from the *Inside* — the *Overdragon!* Exactly *Him* — the **Tsar of Tsars!** — hail with *Their Deadly Laugh Exultant Lions*. *Why?* Revealed from **Nothing to Power** — the *Overdragon!* — denotes resolution of the *Overman* to convert... into the **Over Without a “man”**. **Fighting Modus**: the *Overdragon* does **Not Yet** bite [a **Karma-condemned one**] *Its* own tail, but **Cruelly Bites** off its “*homo-tail*” **At Once!** The same way — **Are Cut off!** — three former “*metamorphoses of the Spirit*”: a camel [**Kamel**], a lion [**Löwe**], a child [**Kind**]. Indeed: why the *Overman* does need the *Child*, if the **Over Without a “man”** is — *More Innocent* than **Innocence Itself?** The **Pure Über** — is the *Overlight Dance* of the **Forever Young Serpent**. *Sub specie aeterni*: **Will to Power** is the **Spirit to Break** if the **Spirit to Break** is **Will to POWER OF ABSOLUTE WILL!** Only **Über Ohne “menschen”** reveals — **THE ABSOLUTE BREAK OF THE SPIRIT!** *This means*: the **Absolute Break of the Spirit** as the **Over Without a “man”** *est* **Great** [Überwindung!] **Exceeding of All Stakes of Death At Once — Over! — Over Over! — Over Over Over!..**

3. *The Overman — The Overwithoutman — The Overnoumen*

Übermensch — Überohnemensch — Übernoumen...Decease!.. Break!.. Death!.. The **Übermensch/Overman** [Never!] was the main aim of **Will to Power**, because, as it has been already *proved* previously, only [**just!**] the **Over Without a “man”** develops the necessary **Velocity** and **Might** for *Strengthening of Genuine SUPREMACY OVER*. The **Überohnemensch/Overwithoutman** — exactly him implacably affirms **der Wille zur Macht** as the *Supreme Value* of the **Spirit to Break**. The *Overwithoutman* — is the *Sacral Point* of the **Break of the Spirit** [the **Pure Über!**] between the *Overman* and the *Overnoumen*. According to **Nihil-Nietzsche**: the *Overwithoutman* is — just a “**bridge**” for **Transition** of the *Entirely Different Over Beyond-Above-Atop-All “Overs”!* Through *flash-like movements* of **Will to Might** [the *Overman* — the *Overwithoutman* — the *Overnoumen*] is revealed the *Secret Gist* of **ABSOLUTE NEGATION** as **TOTAL PREDOMINANCE OF ABSENCEPOWER**, *id est*: is strengthened **Not** *Eternal Chaos*, *New Order* or *Primary Anarchy*, but even “*more than more*” — **Nothing to Power** and **Emptiness to Supremacy**. *Conclusion*: **Nothing as Nothing to Power** *sich widerspiegeln*/will be reflected only in the **Greatest Nothing Itself** in order to — an-Nihil-ate *It* at once. **Emptiness** as the **Emptiness to Supremacy** will be reflected only in the **Highest Emptiness Itself** in order to — **out-Hollow!** *It* at once. Such is **Eternal Menace Over** — to soar always **Over**, **Beyond** and **Up** being *raptorial Zarathustra’s eagle!* **Hinan! Hinauf!** The *Highest Point of Luminescence* of the *Overman* will **Never** go out, but will **Incessantly**

Increase Might of *Its Lambency* till the **Total Victory** of Light: **Sieg-Licht-Sieg!** Id est: the Light *as* the **Over** is always between **Nichts zur Macht und Leere zur Herrschaft** — *between Nothing to Power and Emptiness to Supremacy*. Therefore: in the *core Centre of the Number: [18]!* According to *Nihil-Nietzsche: die Zahl des Tiers/the Number of the Beast 18* will **Kill** all *Ziffern/Numbers of the Animal 666* in order to then form the *Holy Number of Midday [12]!* *This is Already der grosse Mi[ttt]ag + die grosse Mi[ttt]ernacht = Stunde des Blitzes!* Exactly [and only!] at the **Hour of Lightnings** the *Shining Light* falls under the spell in love with *Its Indestructible Über-Über-Über!..*

4. *Will to Might* — **Nothing to Power** — **Emptiness to Supremacy**

This is the *Most Tangled Void Labyrinth* of the **HEIGHTEST POWER: Will to Might is Nothing to Power for Emptiness to Supremacy** exactly to the same extent as the **Spirit to Break is Emptiness to Supremacy for Nothing to Power**. Id est: *der Wille zur Macht* creates the *Most Impossible Configurations of All Spiritual Wills At Once* — **Total Prevalences Over** and **Absolute Predominances Über. Selbst-Über/the Over Itself** is possible *just* when **Strengthening Itself as Nothing to Power and Emptiness to Supremacy!** Without *Great Transition* of *der Wille zur Macht* — into *das Nichts zur Macht*; and then — into *die Leere [Leerheit!] zur Herrschaft* — any *Construction* by **Death** and *Creating* by **Decease** are impossible. That is the *Majestic World of Will and Spirit* [**“Die Geburt der Tragödie”**] is again cast towards the same miserable “*man-dying*”, “*human corpsebecoming*”. This is **Not** yet “*Der Antichrist*”, **Not** “*Die fröhlichen Wissenschaft*”, but rather “*Götzen-Dämmerung*” **und** “*Menschliches, Allzumenschliches*”. **Aber/But** to learn “*Nietzsche’s Anti-study*” in *Genuine Sense* — means to *über den Sieg frohlocken/Already Triumph* on the occasion of the **Absolute Victory! Sieg-Über-Sieg!** *Fighting Modus: Will to Might* of the *Overman* [at the **Great Midday!**] converts into **Nothing to Power**; and then — into **Emptiness to Supremacy**. *For What?* So that the *Overman* as **Already the Over Without** a “*man*” may say: “**I am just Pure Will der Macht — Will to Rule!**” — *How to Rule?* — **Ohne Verzug/Without** delay! Have **Not** you *known*: the **Nothing to Power** is — *More Innocent* than the **Great Nothing Itself!** The **Emptiness to Supremacy** is — *Chaster* than the **Great Emptiness Itself!** Therefore — **Violence** of the **Over-Without-man** est the **Purest Aggression of Light** — *das Zarathustra-Reich* of *Lambency of Lambencies!*

5. *Eternal Recurrence* — **the Turn of Will into Over** — **the Knot of Lightnings**

Die ewige Wiederkehr: constantly moving round the *Ring of Eternal Recurrence*, **Will to Power** as *des Ringes Wille/Will* of the *Ring* turns out to be a “*hostage*” of **Its Own Coming-to-be**. Id est: *der Wille zur Macht* develops **Karma** more quickly than the *Wheel of Samsara Itself*. The stronger **Power** of the *Overnoumen* grows the more diversely *ramify* and get (*self!*)entangled different *Traceries* and *Configurations* of **Karma** — the *most ancient faithful sister* of the omnipresent **Spirit of Gravity!** Already [in the *Centre of the Ring of Rings!*] appears the **Weighty Tsarina Herself: Anti-Amor-Fati** — **Who Subdues** “*everything*” and “*everybody*” of **Karma of Karms**. What can be opposed to **This “Oriental Mechanism of Evil”?** The *Overlight Antichrist* [the **Forever Young Serpent!**] *with His Laughing Lions!* Nietzsche’s **Der Antichrist** — is **Not** *markierte Atome/Tagged Atoms of Evil*, but the *Inexplicable, Pure Über/Over Itself, Which is Beyond “all-beyonds”*. Speaking differently: Nietzsche’s **Der Antichrist** is **Not Yet**

“Anti” [*Contra*], but the *Pure Über* [*Pro!*]. Why? **Not** *das Licht*/the Light is important for **Nietzsche**, but *Über-Licht/Over-Light*, more precisely — **Incessant Willing of Will** as *Total Expansion of Light: Über-Über-Über-Licht!* Id est: the Light *Itself* est **Will to Power!** Exactly at *der grosse Mittag*/the **Great Midday**, when the Light [around the *Ring of Rings!*] returns to Its Own Radiance, It *reveals* Itself as the **Over-Light** — *Scintillation of Scintillations!* **Conclusion: Will to Might** should **Not** confirm *Power of Recurrence of the Same Spirit of Gravity*, but **ABSENCERULE!** The *Über/Over* will always **Return** [*Die ewige Wiederkehr!*] until it will **Confirm** the *Over* as **POWER OF THE ABSOLUTE OVER!** Exactly therefore: *Ring der Ringe* — **dem Ring der Wiederkunft!** *Nietzsches Gedanke der ewigen Wiederkehr* means only one — the *Entirely Different Over* will **Rapaciously Return Against** “the same” — **Spirit of Gravity!** The *Pure Über/Over Wills* — **Will Wille!** — to reveal *Itself* as the *Over* just **Beyond, Through** and **Over!** To Rise with the *Turn of Will into Different Over* — the **Over Without** a “man”. Modus: the *Over-Without-man* ist *der Blitz*/Lightning — **der Todes Bli[ttt]z!** When at the **Hour of Lightnings** [*Stunde des Blitze!*] *Released Lightnings* of the **Spirit to Break** finally interlace in the **Horrific Knot of Lightnings** [**Überknoten!**] — *This* will be **Übermacht/Excessive Power!** No “mercy”! No “weakness”! To **Cut Forever** “the same” **off the Over: Each Eternal Recurrence should end only with the Turn of Will into Over!**

6. The Great Midday — The Great Midnight — Laugh by Death

Der grosse Mittag/the **Great Midday** may come [*Rapaciously Spring out!*] at any moment of this “*illusion of life*”, of course — already as *its Final Das Ende/End!* The **End** *exactly* in Terms: **Das Ende des Endes!** *In this Sinister Sense*, It has little difference from *Its*— **Laughing by Death!** — **Lions**. Because: “*Lachende Löwen müssen kommen*”/Laughing Lions should **come!** But why do *Über-Lions* of the **Great Midday** — *Todeslachen!* — **Laugh by Death?** Laugh — is the *Hammer des Todes*/Hammer of Death! **Total Lachen[ttt]od!** The German word *Lachen*/Laugh, and also *Lache*/rough laughter, are very similar in way of writing to the word *Leiche*/corpse, dead man, dead body. In Russian language the word **Сме(x)** and **Сме(рть)** are read as **Смé(ть) Overtake Сме(рть)!** **Der grosse Mi[ttt]ag** is *Crimen Excepta: Never et by Nobody* “*eliminable*” **Danger** of *Eternal Recurrence of Will to Power...* the **Turn of Will into Over!** *Among-Before-Over-Across-Through* the *Über/Over Without* a “man” **Incessantly Increases Beyond Sein und Zeit**. Like *minor dragons* that timorously contemplate the appearance of the **Overdragon**, *Being and Time* are **Unable** to grasp **Given Might of Might**. If the *grosser Mittag/Great Midday* *deign* to **Strike by Itself** — **Nobody** will be *able* to save himself from *Its Sharp-Clawed Paws* of a (*Very!*)**Perfect Murderer** [**Über-Gott-Mörder!**]. Therefore *Nietzsche Orders*: “*dass deine Tatze auch Krallen habe*” — *your Paw* also should have **Claws!** Become the **Lion**, *Which Laughs by Death!* *Todeslachen!* Put on *its Crown* — [ttt]! **Ja!** But what is *more important* — become the **Overdragon** of the **Great Midday: Go[ttt]od!** Become the **Young Serpent** of *Eternal Light*: [t]anz — [t]od — [t]anz! Because *der grosse Mittag* is *die grosse Mitternacht*/the **Great Midnight**, during **Which** the *world* **Yet** can **Not** be the miserable “*world of the same*” **Spirit of Gravity**. When **Dragons of Horror Begin to Devour** “*dragons of fear*” — **Laugh of Lions** will hear **Laughter of Lightnings**, and **Laughter of Lightnings** will hear **Laugh of Lions**. What will mean this **Laugh** and **Laughter?** If *All the Strongest* falters, including **Will to Might**, only the **Nothing to Power** and **Emptiness to**

Supremacy will Force through *farther* — *farther!* — *Farther!..* Behind-Beyond-Over-Atop all “*farthers*”!..

7. Revaluation of all values — the Order-Might — NihilihIN

Versuch einer Umwertung aller Werte/the Experience of Revaluation of *all values* came to *Its Horrific das Ende*/End as the *Great Illusion* of decadent “**Pseudo-Will to Nothing**”. Everything *as EVERYTHING* and “everybody” *as NOTHING* — **Die!** But despite everything — the **Nothing to Power** *und* the **Emptiness to Supremacy** *Implacably Conjectured Beyond* the “*end of everything and everybody*” **Will to Might!** Secret **Zarathustra’s Übermensch-Konzeption** is **Completed** in a *triumphant* way! Now even the **Supreme Nihil Itself** craves for *just* **Death of Lightnings: Blitz-Tod-Blitz!** According to **Go[tt]od: Um Mitternacht/At Midnight** even more than *Mittags/At Midday* **Furious Rise Über** Over **Über** is needed! The **Over** should *überwinden/Overcome* the **Over** in order to **Yet Never** [*ein für allemal!*] be *Übermenschliches, Allzuübermenschliches* — “*Overhuman, too Overhuman*”. Therefore: **Neither “values” Nor** their “*revaluations*”, **Nor “revaluators”** themselves are **Not** the *Gist* of the **Luxury of Death** and **Plenty of Life**. Only the **Nothing to Power** — *Genuine Will to Life and Death*. Only the **Emptiness to Supremacy** — *Real Power to Death and Life*. One should **No** more need to “*revalue all values*”, it is necessary to an-**Nihil!**-ate, out-**Hollow!** all “*values*” *et* all “*revaluators of these values*”, including **Supreme Nothing Itself, Great Emptiness Itself**. This is the **taktischer Befehl-Macht/Order-Might** of **ABSOLUTE PREDOMINANCE ÜBER** u-n-d **TOTAL PREVALENCE OVER:** Nonbeing, Nonexistence, Absence, Emptiness, Nothing only *Reinforce* the **Over** for the **Over Without** a “*man*”! The highest **Nihil Kills** the lowest **Nihil for** — **NihilihIN!** **Nihil/Nichts/Nothing** *return(s)* to **Nothing** only for **Nothing to Power!** Because the **Over Without** a “*man*”, turning into the **Nothing to Power** and the **Emptiness to Supremacy**, *est* **Already** the **Over Without** the “*Over*”. This *Very-dangerous Condition* of the **Highest Empty Might** [*Might of Might!*] bears the *alarming name:* **NihilihIN — NichtSstheIN!**

8. Beyond good and evil — Great Over-Beyond — Über Über

According to **Nihil-Nietzsche:** chosenness of the *Overman* to be *jenseits von Gut und Böse/Beyond Good and Evil* is *die Wurzel des Übels*/the *Root of all Evil for Irreconcilable Young Growth* of **Entirely Different Evil!** What does *it* mean? Even if *beyond-beyonds-beyond-all-beyonds*, the **Nothing to Power** is — *its* **Decease!** The **Emptiness to Supremacy** is — *its* **Death!** In order to whirl at a *Height* of **Eternal Predominance Over** and reveal **Blitz-Tod-Blitz/Death of Lightnings** — any *autorità* — every “*human power*” **Should Be** an-**Nihil!**-ated, out-**Hollow!**-ed. **BUT:** *This* is also too not enough! It is necessary to be **Over-Beyond-Atop All Overs!** Only — *Incessantly* **Over-Over-Over!..** *Id est:* the **Over Without** a “*man*” [*Released From “the spirit of gravity!*] should come back through *Ring der Ringe* towards the **Absolute Break of the Spirit** and **Nothing** more. *Accordingly:* the **Battle of All Wills** will **Assign** only **Dharma of Total Absencepower Itself** [*Overmajestic Dharm of Dharm!*]. *Because:* only the **Nothing to Power** and the **Emptiness to Supremacy** *Inherit* **PREDOMINANCE OF THE ABSOLUTE OVER! POWER** as **PREVALENCE OF NOTHING** *from* **NOWHERE!** **SUPREMACY** as **INCESSANT RISING** *for* **NOTHING!** **AUFSTIEG!** *Modus:* **Incessantly Absenceruling**, one should **Surpass** “*power of presence*” with *Even Greater* **MIGHT OF**

ESSENCE! *This means:* One needs to *überwinden/Overcome* the **Over Without** a “man” **Through the Over Beyond** the “Over”... **Nietzsche-Alpa: das Alp(h)a und das Omega ist Überüber!**

0. Decease of the Overman — Death of the Overnoumen — the End of Nothing

Das Überkonzept: **Before Before** and **Fore Fore** always exists [*Absencerules!*] only *Pure Decease* from *Which der Tod/Death* is born! It is necessary the **Courage of Decease** so *Death* [*through “to Overtake Death!”*] can become the **Most Perfect Victory: Über-Sieg!** But why is *exactly Decease* of the *Overman* needed [*der Untergang des Übermenschen*]? *Decease* of the **Best?** Only the *Overman* [as the **Over Without** a “man”!] will be able to make **Decease tadellos/Irreproachable — Zarathustrian Triumph of Triumphs!** Through *His Luxurious Decease* the **Overman** will dare **Not “die”**, but *Sacrally Celebrate Death — Geistriss!* Because *vor Mittag/Before the Great Midday* [*exactly!*] through the **Luxury of Creating Decease** will happen the **Cruellest Changes in Death**. The **Highest Spirit to Break** needs **Not** one more heroic “*mandying*”, but — the **Absolute Break of the Spirit Itself** [*Der grosse Riss!*]. Therefore **Tod des Todes/“Death of Death!”** will be revealed *Inside* the *Overman* through **Deathating Death! Constructing Death!** Through *Extraordinary der Untergang!* Hence: **Der Tod kam schnell!** It is needed [*all!*] **lachende Bosheit/Laughing Malice** of **Decease of the Overman** so that *Dancing Death of the Overnoumen* [*der Tod des Übernoumenen*] can **Stand!** Can bring **Itself** to an end *as Will to Might*, more precisely — **Forever Overturn** this lowest, human “*word of cowardice*”. The **Great Midday** needs *only Höhe über alles/Total Height!* *The most luxurious der Tod!* *Conclusion:* *Future Lives — is the Merciless End of Nothing through Nothing to Power!* The *Cruellest Ending of Emptiness through Emptiness to Supremacy!* Only this way and **No** other way — *we should Empty-Exclude* [*Ausweiden!*] each *fear “we”*, every *phobia “I”*. Only the **Over Without** a “man” has the **Sacred Right to Reign Eternally und Everywhere**, and therefore — in the *Core Centre Itself* of **der Tod!** In the *Heart Itself* of **das Nichts!** When the **Über** set out against the *Über*, when the **Over** beard *contra Over — Invisible War of All Wills* will come **Beyond** “*all beyonds*” in order to *through the Purest Deathating by Death töd[ttt]en* draw the *Luxury* of the **Highest Gaudy** near — the *Great Midday* of the **Absolute Break of the Spirit: [t]anz — [t]od — [t]anz!** In other *syll(Bale!)*s: the **End of Nothing** is — the *Total Triumph* of **Will to Power** *as the Supreme Might Over* “*any Might*”! *Inexhaustible Exultation* of **All Cruellest Wills At Once!**
