Exaltation had a lot of heart,
But we can't do it,
puzzles time and circumstances couldn't endure,
can't change the time and circumstances.

put to sleep Awakened powers,
Friends of the precious time we've wasted too selfish,
Exaltation had a lot of heart,
But we can't do it.

Forced to do anything we weren't,
understand the importance of precious time,
Exaltation had a lot of heart,
But we can't do it.

Waste time by remembering,
the past while we Paulo,
We have to be careful to manage ,
our time has come now.

By remembering the past movement,
Now we will not waste anymore time,
Exaltation heart to do,
but could not get to us.
