Nature is Lord
That can never be mould
It is called the heart
It is God gifted gold
Where of man or
It is natural

It can never be changed
Nor can be replaced
Nor can it be made again
It is like sugarcane
Whether you crush, cut or pulp
Never changes its nature
But for the goodness
But human’s one may be for both

It is like a zero
Whether you multiply, add or subtract
It results the same
But if you try to divide
It turns infinite
If you try to divide any human’s nature
It fixes as a signature
So never try to caricature
If you have a beautiful nature
If you don’t enjoy your good nature
One day you may be on a stretcher

So try to avoid the situation
Otherwise critical will be your condition
So please never have any notion
And take the precaution
