Hark! her ordeals
To maintain the pride
Of ‘family girl’!

Is her father a Zameen,
Or a Barron?
Is her mother a Duchess?
Is she herself the princess?
Nay!

But
The golden statue,
Chiseled by
The noble parents,
With the cultured
Siblings -
Not one or two
But TEN -
Begins to flinch...
With throbbing words!

Yes!
Aren’t soul throbbing words
And violent deeds
Recognized in
Marital life?!
What’s novel in this?!

A bull’s work,
A dog’s loyalty
And
A cat’s slavery
Maketh
The family girl!
And not the
‘idle’ Revolution.
