

SHOOT ME DOWN

Agith George Antony
Hyderabad, Andhra Pradesh

Maybe,
I failed you.

like the Indian President
failed the Afzal Guru.

like the governments
over the globe
failed their people.

my pride failed the am admi
my lust failed the Daminis'
my greed failed the rivers and mountains
my sloth failed the Irom Sharmilas and Soni Soris
my gluttony that created virus that crashed the networks
my envy failed the Islam
my wrath failed the dissenting notes.

you created me
and now it's your chance
stand up,
and shoot me down.....
