Asst.Prof (English)

MIT Arts Commerce And Science College Alandi

 Gifting Myself contemplation of indemnity
 You, being my sibling my safeguard
 My reinforced kinship ,
 My brother, tying you a Rakhi
May be following the ritual and let you remember your duties towards me
 This year , my brother , I feel from the heart
 I commiserate not to obligate you for my safety
I being a Woman always been assumed and I being suppositional now questioning
 The custom, Yes I am vigilant
 I being a daughter always been asked
 I being a wife always been suppressed
 I being a sister always been guarded
 Cant I be having a vault of heaven?
