

EXTINCT

Trupti Sabharanjak
Mumbai,
Maharashtra 400026

Armed with persistence, perseverance, dedication
Rigor & resilience
I saw it plunging into a raging battle
With the demons of
Cheaters, dubious planners & self glorified manipulators
Armed with treachery, deceit & forgery

They raved, ranted and spewed venom
It silently bore the brunt of blame and mistrust
It failed to see
The world has evolved
And role reversals are here to stay
Now wrong is the new Right
Truth is powerless and Cheat is Right

But Alas! It could not withstand the onslaught
It is now dragging along on the path of a Utopian World
There it is, now languishing in a corner
Foolish! Is it still breathing?
Do I hear a pleading whimper for Revival?
Oh! Hear! The demons are approaching again
To smother the last few breaths
Gosh! Poor Honesty, has it not heard of Extinction?
