§ 185. Yes-sayer as a «Dreadful Holiness» is only always an offensive Over-Yes! We need only those types of Creative Aggression of an Over-Revolt, which capabilities to simultaneously Surpass any forms of «order» and «chaos». Even if Anarchy were to disintegrate into millions of new «freedoms», and even if the Order were to divide into billions of old «subduals» — even then all this «a treacherous charm» we must mercilessly Destroy. *Id est*: the Unique and True Absolute Revolution for Yes-sayer — it Not simply being the Sacred Order of Chaos or the Sacral Chaos of Order, but fastened together — with eternal rebellious blood! — the Will to Power of all ever irremediably lost Instinctive Forces and Lives at Once! A pure holy Yes to Life without remorse *par excellence*: →↑←

§ 186. Only **NihillihIN** is the true Revolution and the veritable Rebellion of Absolute Break of the Spirit.
