

BEYOND DEATH OF THE OVERMAN

Andrei Azsacra [Zarathustra]
Indo-European Philosopher
Ural, Russia

It was: *Gott ist todt*. Throw away *despicable* “t” as a mendacious Zeichen/sign of inanimation. Will be: *Gott ist Tod/“t”!* *Gott Tod ist!* To be more precise: *Gott ist Über-Tod!* What *post-contemporary oracles* dissemble under the meaning “Simulacrum”, in reality *are* multiple *simulacra* of the same Ancient Samsara *und* infinite Karma-customs of the same *der Geist der Schwere*/Spirit of Gravity. Therefore any *das Wort Gottes* here makes no sense. On the dangerous path leading to *New Riddlings of the Overman* one should, finally, reveal [*More Powerfully Riddle!*] the Fearful Wisdom of the *main* Nietzschean *das grosse Formel*: “*Gott ist todt!/God – dead!*”. But who will dare *Riddle* such “*todt!*” in this, *not for a while yet* live world? Only: *der Tod/Death* itself! Therefore *I* [*as the Master of Death!*] will riddle the frightening *Über/Over* only *through* the extremely [*Beyond the limits!*] concentrated Horror of Will to Power – through *der Untergang des Übermenschen/Decease* of the *Overman* and *der Tod des Übernoumenen/Death of the Overnoumen*. *Zur Über-Explosion bringen!*

Deutsche Fälschung: old German [*Nietzschean!*] wrighting “*Gott ist todt*” does Not conform to today’s *gefälscht/false* – “*Gott ist tot*”. This *Fälschung* [*in a German cowardly manner!*] covered the veritable *fighting accent* of Nietzscheformula of Will to Power, *and more precisely*: did Not let it become *Über-Quintessenz* [*Sacral Point of joining of the Overman*]. What is the main point of this “*fälschen*”? German “*tot*” points at only “*lifeless*”, “*dead condition*” of *Gott/God*, exactly *and only* in the grave spirit *Sterben*, id est: *once and forever* “*fixed dying*”. *G(ott)* appears here as (*tot*); *gestorben/dead*. But in reality “*Gott ist todt*” through his *todt = tod/t* [*But-Not: tot!*] covertly and *secretly riddles* the Entirely Diverse – *Genuine Nietzsche’s Imperative*: *Gott ist Tod/God – Death!* *Gott-Licht Tod ist/God-Light – Death is!* From this with Will to Power Affirms a new *Über-term*: *Gotttod*, *or*, Constructing with Triple Death [*ttt*], *Over-God*: from Death [*t*] – through Death of Death [*t*] – into *Over-Death* [*t*]! *Aus dem Tod – (über!)durch den Tod des Todes – in Über-Tod!..*

We will press on the *German throat* more coarsely: reasoning from the Ancient *der Tod* and *Nietzschean formula* “*Gott ist todt*”, in the term of “*Übermensch/Overman*” decisive [*Light!*] accent of Will to Might should be transferred from a “*man*” to the “*Over*” in order to *then* Austerely Exterminate also this “*Over*” as *ungenügend/insufficient for every* GENUINE COMING-TO-BE OVER, BEHIND AND BEYOND. Exactly therefore the *Secret Overnietzschean Formula*: “*God – dead/Gott ist todt*” should be comprehended *only this way*: *Gott ist Tod/God – Death!* Exactly and *only* – *Creating Death*: *Gotttod* [*ttt*]! *Fighting Modus*: if God is Creating Death, then become *tot/dead* [*and moreover sterben/die*] He *as Over-Death* will Never can. It [*the Beaming Light!*] will only *incessantly errichten/Construct und schaffen/Create*;

Werte schaffen/Construct Values of Life, Surpassing with the Luxury of Death *Life Itself* [ttt]. From here takes its rise the Implacable and Merciless ORDER OVER: Über-Gott ist Über-Tod/Over-God is Over-Death! Or: Über-Tod-Über-Gott-Ist/Over-Death-Over-God-is! Das Über-Über-Über-Licht! *Necessary Affirmation of Courage*: in German *der Wille, der Kampf, der Krieg, der Blitz, der Untergang, der Tod, der Sieg* – Will-Struggle-War-Lightning-Decease-Death-Victory – words-notions of masculine gender, therefore in Russian these *key words* [“*light links*” of *der Wille zur Macht*] are No More Under-Pre-understood *per se* as words of *feminine gender*, even if *here* are written exactly *as such*. Furthermore, in these “Tactics and Strategies” I have used only *altdeutsch/Old German* writing of *key words* [“*Law of Nietzsche’s Hand*”]. *Auch* – Also in special cases I reserve the Right to transform [*transformieren!*] any German *die Wörter*. I engage Not to follow poor *German declension*; and on the whole will totally *umformen/put everything* into Entirely Diverse Shape. Absolutely Reorganize *everything*, including any *Artikel*, for affirming more Firmness in advance of the *Pure Über/Over*. For example: *das* [der!] *grosse Nichts!* Or: Über-Über-Über-Macht! Or: Sakral-Aggression-Über! Accordingly: *Nietzsche’s Willing über* is used by me Already Not as *Präposition/Preposition*, but as the *Most Luxurious Noun – Overmajestic der Über! Herr Über!*

According to *Nichtsnietzsche: der Kampf/Struggle of der Wille zur Macht/Will to Power* is fulfilled [Deathates!] Not through *that* is used to call the *Übermensch/Over-man*, but through *Itself* – the *Über/Over! Over Over! Over Over Over!.. Id est: Total Über – der Über-Tod, and this is already* the Entirely Diverse *Über* and Totally Different *Over!* Under the Entirely Diverse and Totally Different it is necessary to *Over-Beyond-pose* only the *Most Extreme Prevalences* and *Predominances of Absence, namely – Nothing to Power and Emptiness to Supremacy*. However here an *Overman* Needs Not simply *der Sieg über den Gegner/the Victory Over an adversary*, but the ability to *siegen/Triumph Up To the “victory”, Up To the “defeat”*. In other *Syll(Bale!): Ultimate Being [Übersein] of an Overman* wants to see *Nonbeing [Nichtsein]* as the (*Very!*)*Luxuriously Accomplishing Overcondition of Will to Power*. Exactly therefore an *Overman* in anticipation of the *Über Ohne “menschen” [the Over Without a “man”!]* needs to *den Kampf eröffnen/Levy Struggle for the Overnoumen, Who, already at His Level of Power, should also Implacably Overtake Death! Frei wovon/Free from what? FROM: a “man” and his “Over”! Frei wozu/Free for what? FOR: Entirely Diverse Über-Over-Über und Beyond “the same Over”! Über is/ist/est Überüber – Over-Through-Über!*

So: *at first – Gott ist todt/God – dead [as an Inevitable Sacrifice when Transition into Over-God!], then – Gott ist Tod/God is Death [par excellence: He is just Who continuously Annihilates Himself as the Spirit to the Break!], then – Über-Gott ist Über-Tod/Over-God is Over-Death Itself!* God/Gott as the *Ultimate Plenty of Viability of Will to Power* Never is confirmation of the *Triumph of Perpetual Life*, but *rather – affirms Frantic Directedness of Life Against: Itself!* The *Light attacks the Light! Radiance storms Radiance!* Therefore *der Untergang des Übermenschen/Decease of the Overman – is a gesuchte Grösse/Sought Quantity; initial Stadium Ultima; Über-Über-Über – Über-Over-Über! Majestic Modus: All the Strongest should overtake the Most Powerful Predominances of Absence und Prevalences of Nonexistence through the Über Ohne “menschen”/the Over Without a “man”*. Will to Power orders to reveal the *Over Without “human” as Already Without Overhuman [“Übermenschliches”]*. *Wozu/Why? In order to by Will to Might be Beyond “all-beyonds”: only/just as Over, Beyond*

and Über! Therefore “*der schnelle Tod*”/Fast Death should become Faster Not in order to *schneller fallen*/fall faster, but... Soar Upwards! Hinan! Hinauf! In order to be Forever: “*Hoch genug für den Blitz!*”/High Enough for the Lightning! Life does Not decipher Life, but on the contrary: Life riddles the Absolute Break of Life [both as the Spirit and Will!] in *Horrific Epicenter* of INCONCEIVABLE SUPREMACY OF DEATH. Exactly in *This Horror of Horrors* consists the Secret of Secrets of *Inexplicable der Wille zur Macht*/Will to Power. This way Wills Will/Der Wille wollen!

Exactly: Go[ttt]od with *three* [ttt] Crown – Neither “*Gott*” Nor “*Götze*”! According to Nihil-Nietzsche und Nothing to Power: it is necessary to an-Nihil!-ate the *defect-formula* “*Gott ist tot*” as a dreary *der tote Punkt*/dead point of “*the same*” Spirit of Gravity and *exultantly* pass on to the *Entirely Different* Creation by Death and *Total* Construction by Decease. Required Over-Death – is Not decadent “*resurrection of God*”, Not a new occult attempt of the *Overman* to become God *himself*, but the Even More Cruel “*god*” Hunt as simultaneous His “*presence*” and “*absence*” hunt. Ancient and wise Σιληνός [Silen] called *This* – the *Purity of Extermination* of running away “*god-remnants*” of Scared Dionysus. Here is the best part of already my *Sanctus Januarius*/Even Jollier Science: the *Overman* affirms der Über-Tod/Over-Death, namely: the *Supreme Revelation* of the Plenty of Death [as already by *Nobody/Nothing* Stoppable Over-Will-of-Power!] and the *Luxury of Decease* [as already by *Nothing/Nobody* Stoppable Over-Spirit-of-Supremacy!], that is *initially* fixed through the *Majestic Formula* of “*Will to Power*”. Nihil-izing according to *Laozi*: only when the *Young Serpent* of the *Luxury Over* feeds on *its own* Blue Blood, *its own* Pure Seed – *it* [through the *Total Break of the Spirit!*] Burns to ashes bad blood of the “*former rule*” and becomes the *Overdragon* of the Absolute Supremacy [der Über-Drache!]. Now It *is/ist/est Ein absoluter Herrscher-Blaublutig/Absolute Potentate* of Blue Blood! Therefore [again For No One!] one can ask Nietzsche the most *insane questions*: “*Wir haben ihn getötet, – ihr und ich? Wir Alle sind seine Mörder?*” – Nein! Nein! Drei Mal Nein!

According to Nietzschebuddha [*Siddharthanietzsche*]: God – *Mind* and He is Not “*dead*”, because *this* *Mind* – to Power! *Mind* – to the Absolute Supremacy! *Ja! At first* the *Overman* [as *der Mörder Gottes/a Murderer of God*] Wins: *töden/Kills* God, but... Then *even* an *Over-Über-man* can Not overcome... *Over-Beyond-God*: *Gotttod* [ttt]! Why? “*Jetzt tanzt ein Gott durch mich*”/Now God dances in “*me*”. *Mind*, turning into *Nonmind* [the *Purity of Unthinking!*], forms *der Über-Logos-Macht*: henceforth Über-Gott-Über-Tod becomes *its* PERPETUAL DAMNATION-TRIUMPH, because Über-Gott/Over-God *ist* the ABSOLUTE UNTOUCHABILITY of der *Wille zum Untergang/Will to Decease!* Only Decease – the [ttt] Crown *Itself* and Simultaneous Coronation of the *Overman* as the (*Very!*)Perfect Over Without a “*man*”: Go[ttt]od! *Das Zeichen kommt*: Decease of the *Overman* should Implacably draw near even more *Secret Childhood* of Will to Might – Death of the *Overnoumen!* Here [*in puncto puncti*] one should be Farther than even “*beyond all beyonds*”. *Modus: God, Who* bears relation Neither to a “*man*” Nor to the “*Overman*”, Nor to *Himself* as “*God*” – affirms only HIS ABSOLUTE OVER, BEYOND and ÜBER! Nevertheless: “*Seht mir an! sagte der alte Steuermann, da fährt Zarathustra zur Hölle!*”

Gegensatz: as opposed to an *accustomed* term to “*töten*”/kill, *slay* Nietzsche’s töd[ttt]en means to Construct by Death: [t]anzen! – [t]od! – [t]anzen! *How does this Will?* When there is a

formula “Tanz-Tod-Tanz” – it means that *tanzen*/Dance by Death *will...* “Ich”! *When?* – Mittags/at Noon! Here is the *Most Horrifying* Mission of Will: the *Übermensch* should to the maximum dangerously *Riddle* der Tod as Will to Power Farther – ..! Then – Even Farther!.. FARTHER THAN ALL “FARTHER”!.. *Nichts und Macht – das ist jetzt in Eins beschlossen*/Nothing and Might – merged now *all together*: Macht-Nichts! Id est: Decease of the *Overman* + a birth of the Over Without a “man” = Fore!-tell and simultaneously cause/*projizieren* a Future Death of the *Overnoumen* [*Tsar of Tsars* of a Dance of Will!]; and only after *This die grosse Metamorphose* Creating Death of the *Overnoumen* awakes [*Imperiously-Projects!*] a New Death of Over-God [*as EVEN MORE POWERFUL GOD OF THE ABSOLUTE POWER!*]. *Following* Nihil-Nietzsche – New Over-Indestructible Go[tt]od is formed: *Triple Krone*/Crown of Death: [t] – [t] – [t]... Now the *Most Complicated Question* for understanding the *Über/Over*: with Whom or with What exactly does the *Übermensch/Overman* Wage War? A find of an “*enemy*”, disclosure of an “*adversary*” – are nothing but *illusions*. Id est: the *Overman* [as Already the *Overwithoutman!*] is Not at war with *formerly*, as though his components – “*God*”, a “*man*” and the “*Over*”. But *why* does Not carry war? And “*God*”, and the “*Over*”, and a “*man*” – *Already!* – have been an-Nihil!-ated in him through *das Nichts zur Macht*/Nothing to Power! *Already* have been out-Hollow!-ed through *die Leere zur Herrschaft*/Emptiness to Supremacy! Have been Exterminated Without all wretched “*remnants*” of *der letzte Mensch*/the last man, *even* in the form of luxury of “*Over*”.

Alles mal herhören/Everybody listen to me: the *Pure Light* wants to *Radiate* – *Rapaciously!* The Genuine *Über* craves for the *Most Violent Light* – the *Light Over!* *Therefore*: the *Übermensch/Overman* – is *Continuous Flow of Light* that emerges from *Ineradicable Radiance* of Will to Power, *Lambency* of the Spirit to Break! The *Primordial Light* did Not “*come*”: *It – Broke in! Burst in! Triumphed* from Beyond for Power Over and Supremacy *Über!* Didn’t you *know?* The *Blond Beast* [“*BB*”: *Blonde Bestie*] still emits *This Purest Light* from *His Blue Blood* [“*BB*”: *Blaues Blut*]. *Therefore Zarathustra* says: “*Denn ich liebe Blut*” – I love Blood! The *Most Secret* does Not become *evident*, but *Even More Riddles* *Itself Against Itself* and “*everybody*”. Exactly *ausstrahlen*/beaming from *Shining Blue Blood*, the *Pure Über/Over* as the Will to Life [*der Wille zum Leben*] continuously questions *Zarathustra*: “*Was! Du lebst noch, Zarathustra?*”/What! *Are you still alive, Zarathustra?* Because: *Snake-faced Zarathustra* is *Verkündiger des Blitzes*/the *Herald* of the *Lightning*, *Who* through the *Lightning* [*or Snake Bite!*] should Perish! *Wherefore?* In order to Over-become *Overzarathustra* – *Überzarathustra!* *This* means: Will to Power *Itself* Wills to Become the *Entirely Different Luxury* of the Over Without “*Zarathustra*”! Here are needed *Extremely Cruel* explanations: No *eternally-fearly-mean-das-Man!* No *der letzte Mensch!* The *Verity* of *der Wille zur Macht*/Will to Might – *Might of Might!* – is always *Immutable*: a *Genuine Enemy* *will* Never be known! What does this mean? There is *only* *Inevitability* to Fight only with That has Neither a “*name*” Nor a “*form*”, Nor their “*absence*”. But! – this does Not mean that the *Overman* should Fight only with *Selbst/Himself* as [*just!*] with *Emptiness* and *Nothing*. No! – there is No Any “*emptiness*”, No Any “*nothing*”, No Any “*no any*”. There is only the *Nothing to Power* and the *Emptiness to Supremacy*, *Which* in their turn are *der Geist*/the *Spirit* and *die Seele*/Soul of the *Overnoumen*. *Conclusion*: If *der Geist*/the *Spirit* does Not kill *die Seele*/the *Soul*, It can Not achieve *Its Sacral Break*, and *this means*: can Not reveal the *Absolute Break* of the *Spirit*. *Therefore Befehl*/the *Order* of Will to Power is *implacable*: the *Spirit should Kill Soul!* Otherwise It will Not reveal *Its Shining Light*,

no matter what Breaks von innen [*inner verities*] It would Accomplish. More dangerous than any *Deadly Sphinx* Nietzsche cruelly Riddles by means of the Most Ancient Order: “*Deinen herrschenden Gedanken will ich!*”/ I want to hear Your *Prevailing Thought!* What exactly? Without “*fear!*”! Entirely and Forever as the Over Without a “*man!*”! The Over Without “*Zarathustra!*”! The Over Without the “*Over!*”! Because: one can *Save* Nothing, but Nothing can still be *Saved through* Nothing to Power: *das* [der!] *Nichts zur Macht!*

New Over-Commandment: Beat through Nothing [Über-Nichts!] and *zerbrich/Break* through Nothing to Power! *Schreibe mit Blut/Write in Blood...* of the Emptiness to Supremacy! *Das Nichts will Todeslachen/Nothing* wants to Laugh by Death! But *die Philosophie als solche/Philosophy as such* is ceaseless fright, *permanent cowardice of thoughts – in-ter-mit-tent tre-mor* of the thought. Therefore it [*as eternal fear of the same “ringed terror”*] should Irreversibly Disappear; “*give way*” to Entirely Different Nihil-Might – *Nonbeing, Unknowing, Unthinking, Non-doing* of Will to Power *als solcher*. Should happen the R.I.S.S./Break of the “*ring of fear*”. *Der Mensch/a Man* as the most “*common fear’s disease*” initially has inside *Itself* its own *der tödliche Ausgang einer Krankheit/Fatal Outcome* of the “*disease*” [der Untergang!], and this Beyond-means: the *Überohnemensch/Overwithoutman* is the long-expected End [*das Ende!*] of this “*Infektion*” as a *permanent condition of cowardice of thoughts*. Nietzsche demands to Reject *even* the notion of “*höheren Menschen!*”! Accordingly – No combined “*Legion*” from Highest Qualities! No “*Idealmensch!*”! No “*Sonnenmensch!*”! Cannot be Exterminated even “*Endkampf*”, “*Finalkampf*” – “*Kampf*” as before *allzu/too* term “*ungenügend*”/insufficient for *Final Victory* of Will to Might! *Why?* Only the *Übernoumen/Overnoumen* – a Chosen Enemy of the *Übermensch/Overman*. Only *This Sacral di-Will* is Chosenness to the Most Violent Struggle at the *Highest Level* of the Break of the Spirit: “*Over contra Over!*”! “*Über pro Über!*”! Battle [*already!*] Beyond any “*contemplation*” from the direction of any “*Götter*”. Exactly therefore: “*Gott tod/t ist!*” – God is Not dead, but Ascends as Death Over all *secret corpses*, in order to *Achieve Joy* of His New Decease: *Gotttod* [ttt]! Only finding a Genuine Enemy, the *Overman* [as *Genuine Go*[ttt]od: *New Over-God!*] inherits EVERYTHING – *both as* a Great “*Yes!*” *and as* Predominance of “*No!*”, *and as* the “*Over!*”! *Itself*, but first of all the *Overman* finds Himself as *der Über-Untergang!* *Der Über-Tod!* *Id est:* Finds Himself as *Unstoppable Over-Decease!* *Inexplicable Over-Death!* *Incomprehensible Luxury* of *das absolute Nichtsein* – Absolute Nonbeing! *Über-Leben aus dem Über-Tod/Over-Life* from Over-Death!

The Great Over-Future will be determined Not by “*power of mass*”, but *Aufschneiden/Cutting* of “*mass*” with the [Cruellest!] *Ray of an Individual* – *Overlight Ray* of His Will to Power! Initially: the *Overman* comes to *einen Leichnam aufschneiden/Dissect* a “*body*” of society and Release *Licht/the Pure Light-Over!* Therefore *Here* it is important to Solve a question right away: *Was ist der Geist der Schwere?*/What is the Spirit of Gravity? *With What* does *Irradiation* of “*Blaues Blut!*”/Blue Blood and *Its Cruellest* Struggle against the Spirit of Gravity begin? – *Kampf/Straggle* begins with Cutting of the *Pure Über* From the gravity of “*Mensch*”. *Id est:* the *Shining Overman* as the “*Over*” still continues to be a *hostage* of a “*man*”. Therefore: his *Übermenschliches/“Overhuman”* – even more human than *Menschliches, Allzumenschliches* [“*human, too human*”]. Therefore Will to Might is important Not the [*overtly!*] denoted *Übermensch/Overman*, but the [*covertly!*] revealed *Überohnemensch/Overwithoutman* as

Unceasing Increasing of only one Pure Over Without a “man”. Überohnmensch – *Overwithoutman* – it is that should Come! *Accordingly* the whole *Menschenverstand* / “human mind” will undergo an-Nihil!-ation, out-Hollow!-ing! *Fighting Modus*: the Over Without a “man” is the *Overwithoutman*, implacably pointing at Decease of the *Overman* [der Untergang des Übermenschen!]. It – *Zeichen/Sign/Portent* of This Plenty of Life as the Over-Luxury of Decease, *Which*, in its turn, is – *der grosse Mittag*/the Great Midday [of course: *par excellence!*]. Exactly in the Hour of Incineration of Lightnings – *Supreme Signs of Death!* – A Genuine Enemy *finds* His Veritable Adversary and Veritable Adversary *reveals* His Genuine Enemy. *Blitzeinschlag!* *Over-Lightnings* should *Strike* Upwards and *Appallingly* Cross with *all Sacral Overoverouses!* Über-Über-Über-Kreuz! Ja! Only *at the moment* of the Cruellest Battle of Lightnings will come the *Great Midday*, revealing Decease of the *Overman!* Exactly therefore: *Blitzschnell! Blitzschnell!*

Der Untergang des Übermenschen/Decease of the *Overman!* For What? “*Und wer ist, der einst noch kommen muss?*”/And who is He, Who once yet should come? – the Pure Über! The Überohnmensch/*Overwithoutman* of Midday and Midnight! In other words: the Over Without a “man” is the beginning of forming of the *Overnoumen* – a new “*form Without a form*” of Will to Might, Which [Already Beyond a “man” and the “overman”] continues to look for Its Unknown Enemy. But is this God? Is this Devil? The Ancient Secret of *die ewige Wiederkehr*/the Eternal Recurrence *says*: Only Sacral War of Will and Spirit is the Turn of Will into Over, because [Beyond Everything!] should *return* only the Supreme Might of Over! Beyond-Over-Atop-All-Über! Without Sacral Transition: “*Overman – Overwithoutman – Overnoumen*” Great Aggression of Over will Not be able to achieve *Majestic Stage* of Supreme Violence Over and Beyond. *In other words*: weak *Gott* / “*God Of All The Same*” will Never *die!* This means: *Fear* and *Weakness* [as inferior instincts of “*all the same*” Spirit of Gravity] will *rule* and command eternally. *How this can be stopped?* The Over Without a “man” – Already Death Without “*dying*”, and this means – the *Overwithoutman* will be able to Smash On His Path “*everything*” und “*everybody*”: both *live* and *dead*. Maximal Development of Extremes should bring to Death of the “*midsts*” – exactly then Herr Über will Triumph! Extreme *Überschuss/Surplus* of [Strength!] stalks Über each/*Over Itself* and “*everybody*” only for Will to Even Greater Might, that severely affirms *Itself as* Indestructible Power! Conclusion: *only* during the transition of the *Overman* into *Overnoumen* [Überintelligibilis!], *through der absolute Riss*/the Absolute Break of the Spirit, appears the Überohnmensch/*Over-Without-man* – the *Most Clear-Pure* [Unalloyed!] *Condition* of Nothing to Power and Emptiness to Supremacy. The *Überwahrhaft/Oververitable Overwithoutman* – Over-Beyond-Atop-All-Übers-Without a “man” und *Nichts zu Geist...* and Nothing to Spirit! And the Spirit to Break! And Will to Power! And Might to Supremacy! Überfluss an Über/*Surplus* Over! Überüber!

Überzarathustra: “I – *Gotttod!* – have come up to that *Secret Limit* of the thought [ttt], overcome *Which* [*jumping over being a Laughing Lion!*], Nietzsche “*went out*” of his head, but I *came in* of my head: I – *Ascended*: Über-Beyond-Over I went [*Danced!*] Atop “*all Overs*”; I stalked along with Will to Power Beyond and Over the *Most Fearful* EMPTINESS OF FOREVER UNKNOWN. I *Sum/exist* – ergo/*means* I Beyond “*ego*” Think “*cogito*” Already the Over Without “*human*” Nonthinking [Nicht-Denken!]. Not contemptible *cogitatio/thinking*, but *Nichtgedanke/Unthought* – that is what determines the Über/Over. I am Not a “*human thought*”,

but Licht bin ich/I – *the Light!* “Ich” – *Aggression of the Purest Light* Regardless of any Denkweise/“*mode of thinking*”. This is the base for the whole Great Future: Light is Will and Will is Light. *Because:* Light is Light Not by force of that It – Light, but by Might of That It Wills! Therefore, *in order to* rightly identify Veritable Light one need see Not how Light gives Light, but how Light Wills, how Light in the Absolute Decease *Deathates by Radiance* and *Laughs* by Death! Amen! So soll es sein/Let it be So! *Because:* a *Sinister Zarathustra’s Riddle* – is Not the *Overman* himself, but the *Triumphing und stalking along Über/Over* Itself-Atop-the-Most! The *Overmain Question* of Will to Might always sounds Implacably: *What is the Entirely Different Über?* Only/*just* – the Over, that Kills every the same “*over*”! *For what?* In order to *return* the Entirely Different Over to the *Purity* of Eternal Coming-to-be Over! Id est: *Each* Eternal Recurrence should end up with the Turn of Will *exactly into* Over! *In facto*/indeed the GENUINE OVER – ENTIRELY BEYOND-PRE-FORE-OVER, *that is:* the Entirely Different Over, that Already Finally Exterminated “*the same over*” – *both in the Present and in the Past, and in the Future.* It [the *Over!*] is now Not so much “*Existing Über*” as Nonexisting Over and – Up-Atop-All-Overs! From here the *Overnoumen* has the Absolute Absence of any “*supports*”, “*middles*” and “*equilibria*”. It – Total-Durchbruch! Selbstüberwindung! *This means* – the whole of *psychoanalytic abomination homo* comes to the end through the *Overwithoutman*: Selbst/*Itself* as *Already* Forever the Over Without a “*man*” in equal measure Upbeats up even accidentally preserved remains of the “*I*” (das Ich), “*It*” (das Es), “*Over-I*” (das Ober-Ich). In this War aiming at an-Nihil!-ation one need to be especially Merciless! Übergrausamkeit! According to Nihil-Nietzsche: Ich/I will Never be able to become the Über, because the Über/Over is Inevitable Decease of every “*still-human*” das Ober-Ich. *Conclusion:* Identifizierung/*Self-identification* of Übermenschen can be only through the Über/Over, *Which* overcomes Itself [*as the Over!*] due to the Absolute Over! Only the *Projection* of Will to Might determines *die Tiefe des Abgrunds*/the Depth of Its Own Abyss, *id est:* Light Power of the *Overman* can in any moment *abschaffen*/Abolish *Its Own Abyss* as No More – *Bottomless!* Therefore: in Veritable Über both *ratio* and *irratio* – *für immer*/are Forever Exterminated [Nichts!-terminated]!

What is die Übergabe of Light? No matter how *Shining Seele*/Soul is prepared, strengthened, *die Tiefe des Abgrunds*/Bottomlessness will (o)pen Suddenly! *Abgrund des Geistes*/Abyss of the Spirit will (o)pen more Suddenly than Suddenly! Then: der Fall – Soul will Not be able to stand! Proceeding from Nothing to Power: *Horrific Will to Might* of the *Overwithoutman* – *more* Ancient than a *Frightening Given* of the *Overman* itself, *Who*, in his part, is *Smashing Chaos* of Ancient der Tod. Not *Will to Power*, but only [*just!*] the Spirit to Break an-Nihil!-ates the Spirit of Gravity! In other Sylla(*bale!*)s: the Spirit to Break is the *Spirit to Light* of the Dance of Dances: *New Zarathustra’s* Go[tt]od-Kampf-Tanz! Decease of the *Overman* as the Absolute Break of the Spirit, through *Which* bursts Will to Might, *riddles* the Most Impossible – *Incessant Deathating by Death* [Töd[tt]en!] as exactly and only a *Creation* by Never-ceasing Life! *Leben aus dem Tod!* At the *Great Midday* OVER-PLENTIFUL VITA makes the *Majestic Absolute* of OVERPOWERING *everything* and *everybody* ABSENCEPOWER! *Because* only in the Absolute Absence of an Enemy [Over-Life!] the Most Perfect Adversary [Over-Death!] is born. *It is said:* Only Absolutely being Absent – a *Tsar of Tsars* [Überüber!] is Eternal Over all “*interminables*” and “*infinities*”. Therefore Nietzsche *dies* [Overtakes Death!] exactly/*precisely* at Noon! Id est: *He* – the *Purest Überüber* – [*against everything!*] returns his Wild Mind in order to Forever “*dein Feuer in die Täler tragen*”: bring his Fire in *dales!* *Ja!* Pushing from the

Extreme Point of Decease one should go farther *due to* the Might of Maximal Death: der Über-Tod – *that is where concealed* the Inexplicable Secret of Lightnings: Blitzkrieg-Über! I Nihil!-ize more cruelly: *each* Fore and Over after – *Already* Beyond and Über! Nothing Never can be Unstoppable if there is No Nothing Forever! *Exactly so*: “There is Nothing” after Already Never is Still Forever! *Hence*: Before and Fore of Nothing to Power *est* only After and Then of the Emptiness to Supremacy, because is Needed Not “*human*” *Prunksucht*! “*love of luxury*”, but *Overnoumenal Luxus/Luxury und Pracht/Magnificence of Gotttod* – the *Greatness Itself* of God-Death-Incessantly-Creating [ttt]: from Death [t] – through Death of Death [t] – into Over-Death [t]!

Die Zahl des Tieres: for the *Overman* an act Violence/*Gewalttat* is *Blitz*/Lightning, but Not *Blitze*/cleaver. The *Overman* begets the *Absolute Luxury* of Aggression Over, *Which* has Nothing in common with “*manviolence*” as such. This is rather *Angriff-Licht/Attack-Light* than instinctive action of “*human power*”. The Über/Over Affirms Not *Gewalt/Power, Force*, but *Gewalt*[ttt]/Might *Gotttod*: [t]od – [t]anz – [t]od! Therefore the Over Without a “*man*” is *Power*, that Surpasses any forms of “*power*”; *Force*, that Surpasses any kind of “*forces*”. Over-Violence Über [*Gewalttat-Über!*] does Not begin till the Supreme Instinct of *Force* emanates from *Radiance*: *ausstrahlen/shine brightly* with *Light*! First of all: *Will to Power* needs the *Pure Shining Beast* – Without the lowest “*demon*”! *Id est*: *Blaues Blut/Blue Blood + der weisse Knochen*/the *White Bone = die blonde Bestie*/the *Blond Beast*. But the *Overman* goes farther: from the *Overman* – to the *Overwithoutman* – for transformation *Himself* into the *Overnoumen*. The *Iron clad Rule of der Wille zur Macht*: only when *Will to Might* *converts* into *Nothing to Power* and *Emptiness to Supremacy* – *Eternal Samsara and Infinite Maya* begin to understand what is: to *Hammer philosophirt/Philosophize* with the *Hammer*! Despite all *his* *Unrestrained Determination*, the *Overman*, escaping *karma's* traps, should *always* be *extremely cautious* – Never trust *nobody* and *nothing* because everywhere as before – *Götzen-Dämmerung/Twilight* of *Idols*. Even where *reigns* the *Great Emptiness*, also *rules* the *Great Deceit of Emptiness*. What does it mean? In “*Great Absence of the Enemy*” – even the *Over-Enemy* is Not *Veritable*! Neither *Verity* – [*Nobody and Nothing!*] – Can reveal His *Absolute Absence* as *Eternally-Fighting Ubiety* of *Will to Power*. The *Over-Enemy* is More Than “*Everywhere*” and “*Nowhere*”, namely: Only in ALWAYS INEXPLICABLE BEYOND and ALWAYS UNACHIEVABLE OVER! He – the *Over!* – *for Aggression Up!* He – *Pure!* – *for Violence Down!* He – is *Who* always has time to *Kill Another*, Before The Same *can* *Exterminate* Him.

Warnung/Warning: the *Overman* [*as the Over*, still “*fettered by a human*”] is *Eingeweide riss/Viscera, bowels* of the *Break of the Spirit* – this is Not the *Light of the Overnoumen Itself* yet! In *Reality of Total Shine*: the *Licht/Light* does Not “*shine*”, the *Light just Mightily Wills!* The *Light* is the *Over to Power* of the *Absolute Light* – *Lambency of Lambencies!* Always *Where Rules* the *Light* [*War of Light!*], *There* also exists *Deceit* – *Sacral Snares* of *Radiance!* Therefore: *Absolute Battle* with *Himself as Will to Power* – much greater *Maya/Illusion*, than *Inward War* with an *Adversary* or *Outward Fight* with an *Enemy*. From here it is *the Cruellest Conclusion*: *Extreme Severity* towards *Another* [*Unknown Enemy!*] and *Maximal Cruelty* towards *Himself* [*Inconceivable Adversary!*] is the *Main Component* of the *Overman* as *Already* the *Over Without a “man”*. Über-Violence-Beyond-and-Over is the *Purity* of *Power* only on the assumption of *revealing* of *Nothing to Power* and *Emptiness to Supremacy*, where each

Supremacy of “No” affirms Already Itself as an *Even Greater* “Yes!”, namely – the Over Without *mercy* and *rules!* Hence: Nothing to Power *is* Everything! The other – Emptiness to Supremacy. Überleerheit! Only *This* makes up *Cogitative Honesty* – Nothing demands *constant* Nihil!-izing, Nothing!-to-Power-stalking along of the one *Pure* Over, *id est* – Nothing *as* Will der Macht/Will to Rule orders *Incessantly to Think* Over Already Forever Without a “*man*”. Beyond miserable components of “*one-mind*”, “*two-mind*”, “*three-mind*”... *Knowledge* of Lack of Knowledge Knows Without “*fear*”! Modus: *der Wille/Will est* Riddling of Power Without *unriddles*. Der Tod/Death converts into der Über-Tod/Over-Death *in order to* Celebrate the Great Absence, but Not to be absent on the Greatest Gaudy! Nein! Das grosse Nein! Only *Supreme Symbols of Death* Never “*lose*” because they are armed with [*just!*] only *Pure* Decease. Only Will to Decease propels the last *Violent Coming-to-be of the Spirit* – to Break! The Light *is* Light exactly when *It* Perishes for the sake of *existence* of even more Horrific Death *as* Already Inexhaustible Over-Radiance! Because *Veritable der Tod/Death* Never “*dies*”. Therefore: after the Absolute Break of the Spirit strengthens itself the *Most* Indestructible Predominance – Nothing to Power! Emptiness to Supremacy! Ja! Nicht stoppen! The Genuine Heart of the *Overman* [Über-Herz!] Never “*stops*”, but always *Deathates by Death*, always *Laughs by Death*, always *Dares Death by Death*:

Tod-des-Todes-des-Todes-Tod –
Todeslachen!

Aufwärts!
Hinan! Hinauf!
hoch! höher!
Blitz!
