

WHEN AND THEN

T. BLESSIA

M. Phil Research Scholar,

Coimbatore

When the dark dark dark clouds
darkens the sky;
Then the rain rain rain
falls on the earth.

When the Holy Easter comes
all rejoice in victory;
Then the evil Satan
bruised by resurrected God.

When the Mannah of Angels
falls on the earth;
Then the Gods own people
lives with the bread.

When the bright bright bright sun
brightens the sky;
Then the living creatures
started to react.

When the Eternal Sun
brightens the earth;
All the creatures
rejoice in victory.

But when the Eternal Sun
appears on the earth;
Then the Holy one
disappears with Eternal Sun.
