Hope never loses us  
We only lose hope,  
In life, there is a scene of sorrow  
Never lose your hope  
There is limitless joy behind this sorrow.  
Facing many ups and downs in life.  
Never lose your hope  
On the strike of your life.  
Life not only teaches us to live  
But teaches us to move on  
Never lose hope!  
Never lose hope  
We never see God  
We never visited heaven  
But still have a hope  
Never lose your hope  
Because hope never loses you.
