

GOLDEN LANDSCAPE

Sunil Sharma
Principal,
Bharat College, Badlapur,
Mumbai, India

Early baby Sun
Comes and washes
The sky vast in the
Colour golden,
On late February mornings,
It looks cute glowing as a
Red disc in the vault,
Hanging beautifully
On the waking earth;
The flight of birds
In semi-circle,
Flying against this
Orange backdrop
Appears like an enchanting scroll
Of the Chinese calligraphy,
Fluttering in the air,
Or,
Like a pregnant Haiku,
Heralding the day,
In brief.
