success to be nectar
everyone wanna taste it
everyone wanna have it
but who knows the better its taste
only the defeated person

life is success; success is life
being successful person is like nectar
but who knows the better its taste
only the depressed and distressed person

success to be gotten is climbing up the mountain
to overcome the difficulties bravely and boldly
but who knows the better its taste
only the frustrated and looser person

success to be nectar
everyone wanna taste it
everyone wanna have it
but one wanna to take its tas
