

**FREEDOM OF THE OVERMAN
 REVOLUTIONARY LANGUAGE OF THE OVERMAN PAR
 EXCELLENCE**

Azsacra Zarathustra
 Indo-European Philosopher
 Ural, Russia

*“And just so shall a man be to the Overman:
 a laughing-stock, a thing of shame. ”*

Thus spoke Zarathustra

This is the *Main Demand* of **der Wille zur Macht**: Everything, that was *born* from/out of **Emptiness**, should become the **Emptiness to Supremacy**; or — humbly *dissolve* in [by **Nobody!**] conquered until now **Great Emptiness**. Any *thinking* — just *miserable derivation* from fear: *fearthinking of cowardice of thoughts*. This is **Not** the “*advantage*” of **Quality of Might**, but the evident “*defect*” of quantity of weakness as freedom. Exactly guarantee of “*permanent freedom of fear*” [as “*omnipresent fearprivilege*” of **Sein und Zeit**] makes the thought *infinite* in space and time of “*the same*” **Spirit of Gravity**. According to **Nihil-Nietzsche**: There is **Never No Nowhere Any** “*thinking*”, just constant “*fright of the thought*” thinks the ultimate [but **Not** yet “*finished*”] humaneness as the only possible “*reality*”. But if *suddenly* [**More Unexpected than Unexpected!**] one **Kills** the human “*thought*”, **Will to Might** [*instantly!*] will become the *Continuous Complete Light*. Will **Appear All-sufficient und Luxurious Über: Über-Over-Über-Beyond-Über! Überendlos! It will Not “think” Anymore, It will — Shine! It will — Will!** Only the *Pure Über [Überendlos!]* is the beginning/launching of *Light Aggression* of **Overoverous**, the aim of *Which* is always *immutable* — to *Deathate* by **Death for Strengthening** of *Complete Lambency of Lambencies! Übertodschick!* This is the *kategorischer Imperativ/Categorical Imperative* of *Light*: to **Rule and Will** only by *Its Interminable Over — Complete Lambency of Lambencies!* Exactly therefore *each Will to Might* is interested only in *Pure, Unalloyed Energy Über: Über-Leben aus dem Über-Tod! Sacred Überendlos!* Each **Übermensch/Overman** wants/**Wills** to catch just the *Thinnest Light* of the **Most Unthinking — Absolute Predominance Über and Total Prevalence Over**. Everything is **Über und Over**, if, of course, before it [*Already Is!*] the **Nothing to Power and Emptiness to Supremacy!** Therefore: **Majestic Infinity of Supremacy** achieves only **That** [*through the Nothing to Power and Emptiness to Supremacy!*] can **Change** in a **Moment** as the **MOST PURE OVER! Change Not** like *Tao* in *Ancient “I-Ching”*, but even **Earlier than Instantaneity Before** will be able to rule **After**. *Id est — to Be*

Instantly Never! Nie! *This means: Stable and Aloof “Forever” comes to an End only through “Suddenly!” of the Most Frantic Lightning — der Blitz des Todes!*

Let's forget the East! It's not necessary to “ride the tiger”, if you [as **Will to Power!**] **Already Yourself Sit solemnly on the Lion**, and to be more precise: gallop on the **Laughing Dragon**, in front of *Which* run *Laughing by Death Lions*. This is exactly that rare case when **sich totlachen** “to laugh oneself to death” really becomes **sich Todlachen, Todeslachen/Laughing by Death to Death — to Death** of everybody and everything one and all. *Such* is the Reality **Über** — if you are *not* a **Threat** to the world — you do **Not** exist as the **Luxury Over**. Therefore the **Overman** does **Not** need the experience-knowledge of “eastern meditations”, He is always [on the *Inside* of **Will to Power!**] concentrated on the *Dazzling Point* of His Purest Light, Radiance of *Which* just *Incessantly Increases!* Therefore: **Wille zur Macht/Will to Power** [as thought-Unthought] is *Incessant Strengthening* of *Might of Light* for the **Absolute Predominance** in *Maximally Extreme Infinity* of by **Nobody** broken **Over** [Überüber!]. I as the **Nothing to Power et Emptiness to Supremacy** am interested in *just* the **Speed of Seizing of Nothing!** The **Total Absencepower Without** hope of “live” and “dead”. Why is it **So** and **Not** in other way? When **Nothing**, when **Emptiness** achieve **Beyond-Over-vertex Conditions** of the **Nothing to Power und Emptiness to Supremacy**, *They* gain the sought *Light of the Dance* of **Nietzschean Zarathustra** [the *Most Extreme Empty!-Supremacy Itself*]. **Der Tanz ist Nichts/the Dance is Nothing!** The *Dancing Young Serpent of Light!* Because the **Over Without** a “man” is **Already the Over Without** the “spirit of gravity”! Only at the **Great Midday Nietzschean “Über ihren Köpfen!”** becomes the actual *Absolute Reality* of the **Luxury of Will to Might: Go[t]od: [t]anz — [t]od — [t]anz!** I make the *Kampfstellung/Fighting Position* more precise: it is **Needed** to have solidity of the *System* through simultaneous presence of the *Antisystem* for **Complete Absence [Liquidation!]** of all “systems” and “codes” of *submission* **Absolutephilosophischvernichtung!** Hence: *Sacral Power est c-l-i-m-b, clamber, crawling in* of the *Basilisk Snake* of **Inexplicable Might Over** for *Its Absolute Bite* [the *Bite* of the *Overdragon* of **Supremacy of the Spirit!**] Only **Will to Power** here is — the *Most Severe Exorcist!* When **Dragons of Horror Devour** *dragons of fear*, everybody [exactly **Killed!**] *Sacral Masters of Death* **Reign Over** sly and live “vipers” of human rule.

Ich will/I want: der grosse Mi[t]tag: the **Great Midday!** *Im Kampf/In Struggle* for the *Shining Heart* the **Seele/Soul** will inevitably **Lose**, and the **Geist/Spirit** will *again* emerge **Victorious: als Sieger hervorgehen!** *Id est:* the **Spirit to Break** will **töd[en] — Kill** the *Soul!* *Wozu/Why?* In order to through a formed *Light Break* unite *Itself* with **Will to Power** for further *Strengthening* of the **Absolute Supremacy Über: Über Over Über** Beyond **Über** *is/ist/est* **Über-Über-Übermach[t]** — the *Most Extreme Extent* of **POWER OVER!** Therefore where you see “power”, I distinguish “weakness”; where you see “weakness”, I distinguish *nothing...* to be somehow **Sorry** for! Each *Frightening*

Serpent of Over Power should become the *Horrid Dragon of Supremacy Über!* *Id est: der grosse Mittag* will come on the one *Condition of Will to Might* — when **Genuine Might of Might** [*as Predominance Over and Prevalence Über!*] will determine and *strictly control* only the **Over** — **Already Forever Without** a “*man*”! Therefore: **Überendlos** is only that **Über**, *Which Already Forever Sacrally* is **Interminable: Über ohne Ende!** *Id est: Überendlos* is — the *Highest Level Über*, namely [*and entirely!*] as the **Führer/Leader of Will to Power**. Under **Implacable Determination** (to!) the **Cruellest This** I have in mind **Something Much Greater** than even the most *Sublime Heroism of Gods*. The Sacral **Beyond-Above-Overwithoutman** should burst/*convert* exactly into/in **That Condition of Without “fear”**, in the presence of *Which* there is **Yet No place** for any “*human*” courage or bravery. “**There is Nothing!**” — means: be *afraid* of **Nothing**, because **Nothing** [*as the Nothing to Power!*] does **Not** know *fear* **Irreversibly** like the **Emptiness to Supremacy** does **Not** know *dread* **Once and For All!** Why should one **Overcome something** with the help of **Will**, if *this* can be [**Should be!**] Initially **Cut off!** Previously **an-Nihil!-ated!** Originally **out-Hollow!-ed!** Let in the **Absolute Emptiness just:**

Shine!
Heart!
Of Light!

According to **Nihil-Nietzsche: the Over Without** a “*man*” — is the *Purest Light* [**Über!**], *Which* is **Not dying down, Not dissolving, Not dispersing**, but constantly **Increasing**, incessantly **Strengthening** in *Dazzling Radiance* of the **Highest Might!** *Why?* Only the **Über/Over** is *der allerstärkste/the Strongest* — **Über-Über-Überkraft!** Only the *Bold Light Über* — the *Sacral Projection of Infinite Will to Power: Forever!* The *Highest Formula* of the **Luxury of Life** is *immutable: Go[tt]od — Tod todt!* The *Light/Death, Killing Death/Light, Yet Never* be stopped [*by Nothing!*]. *In fact/In fact* in space and time of this “*miserable world*” there is **No Any der Mensch** or *das Man* [*Dasman*], there is just invariable and stable *das ständig-Man/fearman* of constant *cowardice of thoughts*, *id est: “always-the-same”* of **Eternal Dread** of the **Majestic Risk of Coming Over. Ja!** *Ceaseless fright* — here is the **Weighty Secret** of the *heart* of every “*fearman*”. Therefore *Overstrong Bearers* of **Blue Blood** [*first of all!*] should **Eradicate from everybody**, starting from **Themselves**, this **Allzuherz:** “*very human heart*”! One should go/*stalk along* [**schreiten!**] with *Total Luminescence of Light* through the *Ardent Bloodstream* of **Heart Over: das Herz-Über-Blitz!** To *Shine* with **Over-Beyond-thinking** of *die Höchste Gefahr/the Utmost Jeopardy!* The *Purest Will to Power* needs only that **World** in *Which Yet Never* be any “*homo-bearing swine*”, each “*fear-philosophizing riffraff*”, even under cover of “**Ecce homo**”. *Triumphing Modus* of the *Lightweight: the Power of the Over Without* a “*man*” *est Already* the **Supremacy Over Forever Without “fear”**. The *Creation* [**Overcreation!**] of the *Overwithoutman* is — the *Main Aim* of the **Total Over**, because just the **Over-Overwithoutman**

Victoriously Exults Beyond any *fearkneeled Sein und Zeit: Zeit, Zeit — Todeszeit!* When *Entirely Different Nihilmight* achieves the **Apotheosis Without “fear”** — the **Overwithoutman** will begin to speak the *Purest Lightnings of Death Language: Blitze des Todes!* This is *inevitable*: Pure **Willing is Will to Power!** *Exactly Beyond Evil — Über!* — becomes **More Evil**, and therefore: the **Luxury of Aggression Over** will, at the **Great Midday**, determine **Forever Everything! Blitz-Tod-Blitz! Überzarathustra** will come, therefore the *Genuine Value* of **Power** will be only the *one*: **Gotttod** — *Overzarathustra’s Sacral Kampftanz* — the *Deadly Dance* of the **Young Serpent** of Light [t] — [t] — [t]...

Sturm laufen: the *Great Midday* — **Overoverous Midday!** This is exactly **That** — *Highest Condition* of **der Wille zur Macht** — in the presence of *which Forever Released Over* only *Continuously Wills* and *Incessantly Increases!.. Über-Über-Über!..* From **Death** — through **Death of Death** — into **Over-Death!** The **Great Midday** [the **Great Midnight**] means that the **Released** [*through the Absolute Break of the Spirit!*] **Over Without** a “man” **Yet** is “subdued” by *Nothing/Nobody!* The **Light That Cruelly** will **Strengthen all Its Ruling Pure Rays**, will **Radiate Forever!** Because the *Höhe über alles/Total Height Over* is needed. Therefore: **Be — Über-mir/Over me! Über euch/Over yourself! Über alle Himmel/Over all Heaven!** This is *das Ende des Endes/the End of the End:*

Only **Will Over**
radiates Radiance —
everything else just
imitates Light.

Aufwärts!
Hinan! Hinauf!
hoch! höher!
Blitz!

Exactly this **Way!** Now *das Macht Nichts/Might of Nothing*, becoming *Durchschlagskraft/Penetrating Power*, reveals just the *Wucht/Gravity of Blow!* Let’s *comprehend once more*: why is *needed* exactly the **Overwithoutman?** Only the **Over Without** a “man” can **Finally and Forever Get Rid** of **Ressentiment** as the omnipresent [*meanlyavenging!*] demonstration of the **Spirit of Gravity**. According to **Nihil-Nietzsche: der Geist der Schwere** should be an-Nihil!-ated *through* the **Nothing to Power**, out-Hollow!-ed *through* the **Emptiness to Supremacy**. Exactly in such an *Over-Empty-Way* [with **Detachment** and **Imperiously Cutting off “Ressentiment”!**] the **Over-Overwithoutman** **Forever Gets Rid** of *Stratagem* of **Karma** and *Tracery* of **Maya**. *Conclusion*: only the **Over-Beyond-Behind-Über-Without** “man” — *der grosse Henker/the Great Hangman* of all *illusions* and *wrong beliefs*. **Only He** *Incessantly*

*Riddles der Tod/Death! What for? To **Riddle Death** — means **Always** to be a **Master**. To **Unriddle Death** — means *always* to be a *slave*.*

*The Riddle is in Riddle's Riddle: Why does the Über/Over, in the Cruellest War of All Beams, Lights and Energies, — Never "lose"? The Pure Über Widens [as Will to Power!] even more Infinitely Over than Incessantly Beyond. Id est: the Über/Over to Power Continually Aggresses by Decease and Deathates by Death exactly as Over-Light to Supremacy of ABSOLUTE RADIANCE ÜBER! When Nietzsche [Despite Everything!] demands to Completely conjecture "Der Wille zur Macht" to the End, he, first of all, means to jump (*that far!*) being the Laughing Lion of Death up to the End of Nothing! In response to Shining Laugh of Zarathustra's Lions das Nichts will Todeslachen/Nothing Itself — Wants to Laugh by Death! That's one Way of putting it: Der grosse Mittag/the Great Midday is das [der!] Nichts zur Macht/the Nothing to Power. Die grosse Mitternacht/the Great Midnight is die [der!] Leere zur Herrschaft/the Emptiness to Supremacy. So that two-Absolute Midday-Midnight [Mittag-Mitternacht] of Will to Might may come, the Stunde des Blitzes/Hour of Lightnings is needed! Is needed der Über-Tod, der Über-Untergang [Over-Death, Over-Decease!] of Two the Most Chosen Über — the Overman and the Overnoumen. This is the Last Zarathustras Geheimniss/Secret of Zarathustra! This was initially planned: Only Decease of the Overman und Death of the Overnoumen open the pass towards Entirely Different Might Over, Which should fulfill the Most Impossible Action of the Great Midday — to Kill Nothing! Is needed the Absolute Triumph of Overdeath: der Triumph des Übertodes! Are needed the Highest Deadly Overoverouses! With the help of a New Idea of Death the Overman intends to completely Dispose of "dying", as the mendacious, artificial process of "the same" Spirit of Gravity. Exactly and Only this Way: after Einfall/Falling of Beams Überauff/Raising of Radiance is needed! The Over Without a "man" should Become Entirely Different Death! Not just rise Over life as Overlife, but become the Most Indestructible Might of Presence Itself [Might of Might!]. The Great Over-Beyond-Creation Over! Id est: in this case [in the presence of the Absolute Break of the Spirit!] the Overwithoutman gets control over all Incessant Over-Power Changes of Will to Might Without reiteration and recurrence of *nichtig/void, winzig/little, feige/cowardly*. The Great Midday and Great Midnight — These are exactly those Conditions of the Over Without a "man", when all Powers of Will to Power can Gather Simultaneously in the Majestic Knot of Lightnings [Über-Knoten!]. What does this mean? Each "the same" should choke with Blood of Entirely Different! Entirely Divergent! Forget compassion: the Shining Light comes only to wüten/behave Outrageously!*

Also: The Initial Light of Willing to Power is Shining Aggression of Beams of Will and the Spirit [to Break!] for Strengthening of the Sacral Purity of Luminescence Over, Which is Zarathustras Geheimniss/Zarathustra's Secret — the Ability of Deathating by Death as by Lambency of Lambencies! Will cognizes Itself through Death in the same

way as **Power** cognizes *Itself* through **Decease**. Exactly therefore the necessary *Total Luxury* of **Viapower** [*as Will to Might!*] is gained and kept *only* with the help of the most dangerous formula — “**to Overtake Death!**”. The *Overman* knows it by *Depths of His Own Blue Blood* [**Blut-Ungrund-Blut!**], by all his *wise muscles*, what makes *Him* through *His Over* as **Über-Decease**, in spite of **falsch/counterfeit dying**, **lure Aggressively Veritable Death** with the help of last “*remnants of a man*”. Speaking more severely: *der Mensch*, reduced to “*remnants of dying*”, is suitable for the **Übermensch/Overman** just as a **Sacrifice For No One**, that is — for the Purity of the **Cruellest Tearing** to pieces *through* the **Nothing to Power** and **Emptiness to Supremacy!** Hence — **Will to Might** begets the *Absolute Unthinking* of **New Empty Mind**, “*all thoughts*” of one that **Totally out-Hollow!**-s. In other Syll(*bale!*)s: **Nothing** happens in **Nothing**, but actual *Affirmations* of the **Nothing to Power**. In **Emptiness** “*everything*” and “*every*” are **Absent**, but real *Realizations* of **Emptiness to Supremacy**. Weakness — is just an *illusion*. There is only **Power**. If there is **Not** — then **It is Doubly! Threefold!** Therefore: **Power** exists **Not** simply **Permanently**, but with every moment of **Absence** *Increases* with **Even Greater Might**. The Main demand of **Will to Might: Aristocrats** of the **Spirit** are — always **Under** knives! All the **Strongest** — are always **Under** the gun! *Fighting Conclusion*: let **Concealed** create covertly just “*concealed*”, let **Visible** **Destroy** all “*visible forms*”. **Blitzschlag! Donnerschlag! Die Explosion der Macht!**

According to **Nihil-Nietzsche** [*Siddharthanietzsche*]: the **Great Über-Future** needs just *Inexplicable die Revolution-Blitz/Revolution-Lightning*, **Over-Revolution** of **Lightnings** [*die Revolution des Blitzes!*]. *Zarathustrian Knot of Beyond-Over-Lightnings* *est* the *Sacral Turn/Rotation* of the **Ring of Rings of Lightnings** [*Ring der Ringe*], and to be more precise — the *Overlight Rebellion* of **All the Most Extreme Wills to Power! Achtung!** The *Most Inexplicable* demands **Not** a new kind of *Deciphering* [*Unriddling* of the **Secret of Supremacy**], but *Even Greater Might* of **Ruthless Riddlings of Power**. For *Resurrection* of every “*dead world*” is needed **Not** a “*holiday of answer*”, but just **Horror of Inexplicable Question Itself!** How can one understand this “*Inexplicable*”? **Non-doing** of **Nothing to Power** puts in action (**Non!**)**doing** of **Nothing** *itself* as the **Total Seizure of Power** [**Absencepower!**]. The *Eternal Flaming Bloodstream of Unthinking* forces the *Overman* to **Rave** by **Incomparable Might to Power**, *Which*, in its turn, also is **Incomparable Supremacy to ABSOLUTE PREDOMINANCES ÜBER and TOTAL PREVALANCES OVER**. **No Nothing** can **Not** become **Might**, and moreover **Nothing More** as the **Nothing to Power**, until **der Tod** comes into play. Exactly therefore *die grosse Formel* “**to Overtake Death!**” is the *Riddling* of the **Most Implacable Becoming of Wille zur Macht: Gotttod: from Death [t] — through Death of Death [t] — into Over-Death [t]!**

Ex nihilo nihil fit/From **Nothing Nothing** appears, **Nothing** appears from the **Nothing to Power! Emptiness to Supremacy!** From **Death**, from **Decease**, from **Nonbeing**, from

Nonexistence, from **Absence**, from **Emptiness**, from **Nothing**... takes the *Overman Everything Necessary for the Seizure of Power Über and Inheritance of Supremacy Over*. *Nichtbestehen/Nonexistence* is his **Main Power!** He as the **Ancient Werewolf of Nonbeing** does **Not** retain all *forms* of **Life**, but on the contrary: **Reverses them** — towards the *Secret Cradle of Implacable der Tod*. Reasoning from *Nothing to Power: “Overtake Death!”* — means to **“Rule by Death in Death!”**. **Tod-des-Todes-des-Todes-Tod!** Id est: the **Great Midday** — is such a moment of **Will to Might**, when the *Frei zum Tode/Free (to) Death* becomes the *Frei im Tode/Free (in) Death*. *For What?* In order to: *“der schlägt noch den Tod tod!”* — **Beaten even Death to Death!** Because the **Over Without** a “*man*” is already very **Close!** *This* implacably means: **des Todes Tod/Death of Death! Tod des Todes/Death’s Death!** From Here to **Eternity** *all* the **Strongest** will exist only *as* the **Nothing to Power** and **Emptiness to Supremacy!** Because **aus dem Tod** — *aller:* From **Death** — **Everything!** **Warnung:** if the *Overnoumen* does **Not Cut** off “*Over*” and “*noumen*” **From** himself, he does **Not fasten Himself** in the **Absolute Nothing to Power** and [*accordingly!*] does **Not convert** into the **Emptiness to Supremacy**. *Denn:* where **No** does **Not Deathate**, there — **Nothing** does **Not Aggress** either! Therefore the **Über/Over Confirms** only **Gotttod: Tod tod!** *Therefore* — the **Most Constructing Tod[ttt]en!**

Reasoning from **Nietzsche’s Symbolik: der Über** — is *des goldnen runden Balls/a Gold round Ball of Will to Power* that **Knocks down** everything and everybody on *Its Way!* *“Also sei mein Gang ihr Untergang!”/Let My Gait be their Decease!* Because: the **Great Future** needs just *Liebe zum Übermenschen/Love for the Overman* as the **Highest Luxury of Decease!** *“Was spricht die tiefe Mitternacht?”/What does the Depth of Midnight say?* Following **Nietzsche:** *“Mitternacht ist auch Mittag”/Midnight* — is the same **Midday!** *Id est:* at the moment of the **Great Midday** [*at the Hour of Laughing by Death Lions!*] should also come the **Great Midnight** [*the Hour of Total Dragons Over!*]. **Only** the *Great Midday + Great Midnight* = the **Absolute Turn of Will into Over!** *Exactly so: Suddenly! Abruptly!* **Without any** preparation will begin the *Action* of the **Nothing to Power** and **Emptiness to Supremacy**. The State of “*a jump of the lion into Abyss*” is **Never** canceled and therefore the **Verity** of *Abgrund/Abyss* inside the *Laughing Lion* — lasts **Forever!** *In Summa:* the **Over Without** a “*man*” should **Kill** a *man* as the same **Spirit of Gravity** in order to release *Itself* for the *Most Luxurious Predominances Beyond and Prevalences Over!* Therefore the *Way of Will to Power* will always be the **one:** to **Move Incessantly** and **Implacably through Death** of **Death!** What does *this Mean?* The *Overman* does **Not** look for **Immortality rather Immortality Hunts** for the *Overman* as for the **Über** that **Overpasses** [*Jumps over!*] every **Über** and **Overcomes** [*Flies over!*] any **Over**. **Überspringen! Überwinden!** Fighting *Modus:* to the *Highest Bearer Over* it is **Necessary Not** to “*jump over*” **Over**, but **Über-Behind-Beyond-strive** being the **Lion** — **Over Over! Over-Over-Over!** Only **This** is the **Secret** of jumps of *Laughing by Death Lions* of **Zarathustra**. Because then — **They** should learn the *Overimperious Art of Flying* that [*Sacrally!*] turns even “*the most*

predominant” [Überrauschliches, Allzuüberrauschliches] in *Its Inevitable Under!* Conclusion: “*dying*”, “*pegging out*”, “*corpsebecoming*” Forever remain beaten, *prostrated Under Dancing Death [Tanz-Tod-Tanz!]* as the *Total Construction* of the **Most Impossible**, namely — the **Nothing to Power** and **Emptiness to Supremacy** [*quod erat demonstrandum*].

Friedrich (9) Nietzsche (9) = 18 [666]: die Zahl des Tiers! Reasoning from Nietzsche’s “*Der Antichrist*”: in order to **Victoriously** accomplish **Überrausch-Konzeption** [*der Machtkonzeption*] it is necessary to understand that *die Zahl des Tiers*/the “**Number of Beast**” is the **Triple Number** [*Three times Returned!*] of the ancient *brutum bestiale* [*die-blonde-Bestie-Drei!*]. In accordance with the **Great Midday** *die Zahl [18] die Zahl des Tiers* is the **Secret Key** to the whole *Nietzsche’s Willens-Konzeption*: “*Ich rathe, ihr würdet meinen Überrauschen — Teufel heissen!*” — I guess, you might call my *Overman* — **Devil!** Nevertheless: **Gotttod Unnennbar ist: [ttt]! Nietzsches Konzeption des Willens als Wille zur Macht und Überrausch-Konzeption** should come to the end [*exactly!*] at the *Never Visible Great Midday*. *Id est* — **Visible to Nobody! Nothing!** The **Absolute Enemy** should be **Forever Unknown!** Therefore **der Wille zur Macht** as the **Über-Ohne-mensch** [the *Released und Entirely Different Over-Without-man*] inherits the *Secret of Secrets* of **Veryluxurious — Might of Over-Death Itself: Gotttod [ttt]!** This is: **das Ende alles Seins** — the **End** of the “*world*”! Such is *des Ringes Wille/Will* of the Ring: **Death can Not be Death**, if **It** does **Not** overcome **Itself** as the same “*dying*”. Each **der Tod** [reasoning from “*to Overtake Death!*”] should become **der Über-Tod/Over-Death!** This *der to(d)te Punkt* **Originally** requires **No philosophic proofs and definitions**. **Der Über-Tod — Gotttod!** — and this **Already Means**: the **Hour** has struck to *den toten Punkt überwinden/Move off* the “*dead centre*” **Forever** as “*mansuch*”. The **Cruellest Verity of Will to Might** [as *Original Constructing by Death* and *Free Creating by Decease!*] puts forward the only *Formel-Metamorphose*: from **Power** — to **Might** — and **Farther!..** In other words: *Destiny of Will to Power* as the **Most Ruthless “Amor Fati”** will determine only the *Final Sacral Fight* between the **Overman** and the **Overnoumen**. **Töd[ttt]en!** *Id est*: **Überrausch contra Übernoumen**. **Not Will to Life**, but **Will to Power of Life through Supremacy of Death** and the **Order of Decease** must assert a **Right of Existence [Nonexistence!]** of every **Nothing** as the **Über Ohne “menschen”/Over Without a “man”**. In *anticipation* of the **Great Midday** [**Der grosse Mittag!**] I proclaim the **Great Midnight** [**Die grosse Mitternacht!**]: **Über-Mittag-Über-Mitternacht!** *All Great Sacrals* [and even the *Highest Sacristies!*] will be an-**Nihil!**-ated *und* out-**Hollow!**-ed by **Cruellest Overoverouses!** *Accordingly*: after **Decease** of the *Overman* and **Death** of the *Overnoumen* — *die Schlacht*/the **Battle Further** will continue only the **Most Verycruel Overoverouses**, **Might** and **Speed** of *Which* are **Forever Indefinable: Über-Over-Über-Beyond-Über!** This **Initially/Ausgangsstellung**: **Der Über ist Herr Über**: the **Over** is a **Master!** A **Gebierter/Sovereign!** Because **der Über/the Over** — **Always Develops Against!** **Herr Über** **Develops Against** *everything* — both *Possible* and *Impossible!* **Überherr**

[Überendlos!] — is **Forever Indefinable Sum** of *Imperious Powers* and *Predominant Might*s. **Über-Über-Über...** — It's predetermined to **Be This**, but **This Cannot** be "learnt", "taught", "studied"... **Totalausgabe:** for every **Über/Over Here** is **Necessary** only the one — *frischer Mut zur Tat/Determination* to **act!** Only the *Weg der Grösse/Way of Greatness* is needed! The **Great Midday** is — exactly *That Condition of Will to Power* in the presence of **Which das [der!] absolute Über Smashes** all "absolute absolutes of absolutes". Id est: **Über** as the **Absolute Power [Überüber!]** Implacably **ausro[ttt]en/Destroys** all *mundane* and *celestial Hierarchies*. **Gotttod: Neither weak Nor Strong** — will pass through!

O Übermensch! Gib Acht! The **Genuine Vanquisher [der Über-Sieger!]** will **Never be Known to Anybody** and above all — to *Himself*. Only *Unbekannte/Entirely Unknown* as the **Absolute Inexplicable** will affirm *Itself* as the **Ultimate Vanquisher of ALL POWERS AT ONCE!** For acceptance of the **Crown of Crowns [ttt]** will came just **This** — already predicted since the time of *Ancient Eddur* — **Total-Über-Held!** *Therefore Incessant Riddling of the Secret Without "cowardice of unriddling"* is the *Main Action of Will to Power*. **Der Wille zur Macht Über alles!** Or in *other* words: **No mercy on Nothing, because Nothing** needs **No mercy!** **Tod-des-Todes-des-Todes-Tod/Death**, which **Killed "dying" [Gotttod: Tod todt!]** — **Yet is Not** afraid of **Its Own Absence; because** — it **Absolutely Absentrules, and therefore: Subdues Everything!** This is *Löwenanteil/the Total Lion's Share!* An Implacable question of the *Invisible Sphinx* for the **Strongest** is always *invariable:* What [**Exactly!**] should be the further **Overhuman Riddling?** — *Even More Deadly* and **Horrific! Aufwärts: Über Over Über Beyond Über! Not Life, but the Luxury of Aggression of Life through Creating by Decease and Constructing by Death** reveals [**Even More Riddles!**] the **SECRET OF THE ABSOLUTE VIA-POWER.** It is necessary to find **Something [or Nothing] More Vital** than *Life Itself*, even in its the *Most Maximal Plenty*. What exactly? **LIFE-OVER! THE TOTAL INVASION UPWARDS!**

Licht bin ich/I am — the **Light!** But should the *Light* really **Die?** — **Ja! Wherefore?** — In order to [**Incessantly Increasing!**] **Implacably** move farther: *Light, Radiance, Lambency, New Over-Light* — *Lambency of Lambencies!* The *Luxury of Aggression by Light* is the **Over-Without-Behind-Beyond-Over-man** in *His Deepest Greifen/Grip of Over* as *Radiance Deathating by Death*. "**Will mein Wille!**" From the one part: **Decease** of the *Overman* + **Death** of the *Overnoumen* = this is the *Beginning of Establishment of Direct Rule* of *Light* and *Formation* of the **Over Without** a "man" — the *Race of Dew* of **Supreme Metamorphoses** of *Light* and **Blue Blood!** From the other part: **Death** of the *Overnoumen* + **Decease** of the *Overman* = this is the *End of Nothing* and the *Beginning of Nothing to Power*. The *End of Emptiness* and the *Beginning of the Emptiness to Supremacy*. Id est: **Affirmation of Something That Nobody/Nothing Never can an-Nihil!-ate. Never can out-Hollow! Nie im Leben!** The *Majestic Formula* of Entirely Different **Will to Power** is the *following:* **Übermensch starb: nun wollen**

wir, — *dass der Über Ohne Menschen lebe!* — the *Overman* is dead: now *we want* the **Over Without** a “*man*” to *herrschen*/be Tsar! *Daselbst/Right now!* Only *This* is the *Great Geheimniss vor Mittag/Secret* before *Midday*. *Laughing Lions* are already **Near!** They *invisibly* go before us and **Laugh by Death!** Therefore exactly the **Über Ohne “menschen”/Over Without** a “*man*” should *zu herrschen beginnen*/begin to **Rule Over, Beyond and Über!** *Joy of Dance* of the **Young Serpent of Light** will be able to *Resuscitate Overnoumenal Überendlos!* A[ttt]acke **Gotttod!** What, in its turn, means the **Inevitable End** of the *Great Nothing*: **Das Ende des Nichts!**

*In Summa Summarum: Sieg-Über-Sieg! Nothing, strengthening with Nothing, Never preserves Nothing, because it an-Nihil!-ates even There Is Nothing Itself, and this means: There Is Nothing appears as Nothing Is Forever, where equally Exists and is Absent just the Point of the Break of Nothing — the Nothing to Power! Hence: the Nothing to Power [as Genuine Nothing!] is the Inevitable End for “every nothing”, “every something”. Here it is the Sacred Password of the Great Midday: “Mein Nichts tötet!”/My Nothing Kills! What exactly? The Great Nothing Itself, because only the End of Nothing is the Beginning of the Nothing to Power! The Great Emptiness rather Rapaciously Jumps Forward the leap itself than it is empty, rests and is absent. Gotttod: Tod-des-Todes-des-Todes-Tod! Now one can [should!] bravely affirm: Only with forthcoming of “ÜBER OHNE MENSCHEN” [“THE OVER WITHOUT A MAN”] the main work of *Friedrich Nietzsche «DER WILLE ZUR MACHT»* [“WILL TO POWER”] is completed **Beyond “endings”** and all “*Menschliches, Allzumenschliches*”, and also “*Übermenschliches, Allzuübermenschliches*”. I have shown *alle die Treppen des Übermenschen/All Stages of the Overman*. Even **More Over** — I have *Riddled All Stages* towards **THE ABSOLUTE ÜBER**. Accordingly: **Sakral Übermensch-Konzept [Das Hauptwerk!]** is, finally, — **Appallingly Completed**. *Zum Teufel/To hell* with “*Nachlass*”!*

About what does **Decease of the Overman** say
To **Forthcoming Death of the Overnoumen?** —

The **Over Without** a “*man*” —
The *Entirely Different Over* to **INTERMINABLE POWER:**
from Death [t] —
through Death of Death [t] —
into Over-Death [t]!

Go[ttt]od: Tod todt!
Non plus ultra in infinitum...
