You will never know,  
How much I Love You?  
If you ask ME to bring the star from the Sky,  
I will be Sorry, I can't go sky,  
Because,,,,,,  
You are already the shining STAR.....

You will never know,  
How much I Love You?  
If you ask me to bring the pearl from the sea,  
I will be sorry I can't go Sea,  
Bacause,,,,,,  
You are already the glossy PEARL.....

You will never know,  
How much I Love You?  
If you ask me to do whatever you want?  
I will not take my step back, but I'll try my best,  
But, if you tell me about the doubt for my love  
I will get break into two parts,  
And how much, I will get burn inside my Heart,  
Because,,,,,,  
You will never know ME.....

If you ask me to bring the Moon from the Sky,  
I will be sorry I can't go sky,  
Because,,,,,,  
You are already the glitter MOON.....

If you ask me to bring the nectar from the Heaven,  
I will be sorry I can't go Heaven,  
Because,,,,,,  
You are already the Sweet NECTAR.....

If you ask me to bring Treasure from the Forest,  
I will be sorry I can't go Forest,  
Because,,,,,,  
You are already the Precious TREASURE.....

You will never know me &  
Never feel what I have felt for you that
