

I DON'T NEED TO DIE

I don't need to die
To be back with you.
I don't need to come
To be with you.

I don't need to meet
To share my thoughts with you.
I don't need to move my lips
To talk with you.

I don't need to extend my hands
To help you.
I don't need to extend my arms
To love you.

I don't need to cry
To share your sorrow.
I don't need to laugh
To share your joy.

Just have a glimpse inside you,
Don't you see me there,
With you, every moment.
