

UNABLE TOO... ABLE TOO...

How can I forget you now?
How can I refuse you?
Because to do so, I need guts in my heart
and that is what I'm lacking of.
I'm going on thinking and making,
plans and thoughts for future.
As I'm quiet mature and always cool by nature,
I never have to wonder whenever my heart thunder,
because my God is always by my side,
so I neither run nor try to hide my face,
from facing problems and troubles.
I have a desire to forget you,
but I really say, I can't leave without you.
