

ANOTHER MIND

Anupam Naskar
Chemical Engineer
M.B.A , IIT KANPUR

Another mind ,born in a morning mind
Waiting to see you -----
Swim in the sunshine.
And morning dew smiling to see
Thouand birds fly in those eyes.
Countless broken minds and mistakes
Walking through the unknown roads of my old city.
Still bad habit returns -----
To be surprised to see faces -----
Still another mind returns
To be punished to love again -----
